## PROOF PRESENTED THAT BARGE LINE HAS SAVED MONEY

### Waterways Commission Hears Facts at St. Louis Meeting

(By the Associated Press)  
ST. LOUIS, Mo., Oct. 22.—In the comparatively brief time and under the most discouraging conditions that the government-owned barge line from St. Louis to New Orleans has been operated the shippers and farmers of this section of the country have been saved \$8,993,750. Representative Cleveland Newton told the special senatorial committee holding hearings on the McCormick bill here today.

"This saving has been effected thru the differences between rail and water rates, even tho the barge line has suffered losses thru the deplorable condition of a comparatively stretch of the river between here and New Orleans," Representative Newton said.

"If sand bars that take up about three miles of the thousand mile stretch of the river southward could be eliminated, I know that you would have a hard time building barges fast enough to take care of the enormous amount of traffic that would rush to your docks," he added.

"When this is accomplished, as I suppose it will be, you will have no trouble in interesting private capital in operating barge lines. A river is no better than its weakest point."

#### Should Widen Channel

"The channel should be permanently widened to a barge size. At present it will take care of packets alright but in order to quote low rates the barge lines must handle large units and this is quite frequently impossible owing to the stage of water at these points where sand bars exist."

"The interstate commerce commission appears to believe that there is only one mode of transportation in this country and that is by rail. This is demonstrated when you consider that the freight of the roads paralleling the river are approximately one half of the average rail rate of the country. It was necessary to protect the barge men somewhat so they were permitted to charge 20 percent cheaper rate than the rail rate."

"It was by cutting the rail rate that the railroads succeeded in virtually driving traffic off the river, but the 20 percent differential in favor of water rates bids fair to put it back on the map."

Representative Newton furnished the committee with the first testimony as to the conditions that exist on the Mississippi. He argued for a permanent channel rather than a temporary channel patrolled by dredges.

A number of traffic men from St. Louis produced figures showing the amount of tonnage that clears thru St. Louis and gave estimates of the amount of this which would go by water if the conditions were such that a regular schedule could be reasonably assured.

Marshall Hall a grain man told the committee there was docked a line of 20 miles on each side of the river at this point and that all of this on the Missouri side was controlled by the City of St. Louis.

#### Should Double Barges

Charles Rippen, a traffic expert of St. Louis informed the committee that the present barge line should be doubled in capacity at once if it was to take care of all the trade offered it.

This morning the committee heard a Franklin county delegation tell of the advantages that might accrue if the Big Muddy river was locked and made available for boats on a nine foot stage. Testimony showed that a downstream tow of coal would equal a rail shipment or six hundred carloads of fifty tons capacity each.

Sidney R. Joy representing the chamber of commerce of Hannibal, Mo., gave the committee figures on the amount of tonnage that would be available for water transportation above the entrance of the Illinois river on the Mississippi river. He said that deepening of the channel to a six foot stage on the upper Mississippi to the twin cities was about 40 percent complete. Representative Newton explained that the appropriation for this work and for the similar work on the Missouri River had been made but that the work had languished so that not one half of the appropriation had been spent on either project.

#### PASSENGERS SAFE

Panama, Oct. 22.—(By The Associated Press)—All the passengers of the United Fruit company's Steamer San Gil, which is ashore off the Nicaraguan coast, are safely on board the same company's Steamer Pastores.

The San Gillies on a reef and not a sand bank and the salvaging of the vessel is problematical if the heavy seas continue.

## GOVERNMENT MAY PUT FEDERAL AGENTS ON DUTY AT BREWERIES

### Also Contemplates Doubling Strength of Coast Guard

(By the Associated Press)  
WASHINGTON, Oct. 22.—Expansion of the federal government's prohibition enforcement machinery in an effort to stop liquor smuggling and to check what is described by officials as rapidly increasing supplies of high power beer is under consideration at the treasury. The program contemplates practically doubling the strength of the coast guard and the placing of a prohibition agent in every brewery.

While the changes under consideration for the coast guard have not yet been placed before Secretary Mellon those in charge of the service have calculated approximately twenty million dollars would have to be appropriated by congress to carry them out. Tentative plans call for the addition of more than a score of cutters and about fifty speedy power boats to be used in tracking down rum runners off the coasts. Additional personnel also is proposed.

Secretary Mellon is said to recognize that "high power beer is becoming all too common in many sections" of the country and it was reported is inclined to favor a return to the old arrangement of putting an agent of the treasury on guard in all breweries so that daily tests may be made of products.

#### Due To Criticism

Treasury officials denied that the new program was due to recent criticism that has come from several quarters regarding prohibition enforcement. On the other hand, it was declared the changes have been under consideration for some months and the internal revenue bureau has been engaged constantly in an effort to iron out difficulties in the enforcement situation.

The situation developed by failure of some states to join in a cooperation enforcement effort will necessitate the treasury's concentrating agents in localities where state aid is lacking it was stated.

Placing of agents within plants producing beer is one way, according to officials that is practicable in stopping leakage. This method, if approved will require additional personnel for the prohibition unit it was declared and an increase over the nine million dollars appropriated for enforcement in the current fiscal year.

The internal revenue bureau is giving thought to means of alleviating difficulties in the handling of industrial alcohol and alcohol for scientific uses.

## ARMED MEN ORGANIZE ALL NIGHT VIGIL TO PROTECT LOST CHILD

### Little Boy Follows Father and is Lost in the Mountains

(By The Associated Press)  
WALDON, Ark., Oct. 22.—Hungry and tired from their ceaseless vigil 600 armed men kept watch tonight in the wilds of the Ozark mountains in Scott county for a little child—the 3 year old boy of Lem Turner, a mountaineer. The baby disappeared from the Turner home last Friday and since that time possees have searched the mountains in a vain effort to rescue it from the wilds.

Fearful lest the child has been killed by wolves or near death from starvation members of the possees gathered at the sparse communities of the county, tonight redoubled their efforts to solve the mystery of the babe's disappearance.

The Turner child disappeared Friday about noon and it is believed tried to follow its father into the mountains.

## RECORD CROWD WILL SEE STADIUM OPENED

(By the Associated Press)  
URBANA, Ill., Oct. 22.—Ticket sales for the opening game between Illinois and Chicago November 3 in the new Illinois Memorial Stadium reached the 50,000 mark today, it was announced by Frank H. Beach, business manager of the Athletic association.

Orders are now coming in at the rate of more than a thousand daily, which indicates that both the permanent stands with a seating capacity of 55,000 and the 7,000 temporary stands, formed by transporting the bleachers from old Illinois field more than a mile to the Stadium site would be sold out.

#### MAKES NEW RECORD IN TYPEWRITING TEST

NEW YORK, Oct. 22.—Establishing a new record for typewriting speed, an average of 147 words a minute for one hour, N. J. Herbert Tangora, of Paterson, N. J., today won an official contest at the opening session of the National Business Show.

## TESTIMONY WILL BE READ BEFORE FURTHER ACTION

### Delay Impeachment Proceedings for Several Days

(By the Associated Press)  
OKLAHOMA CITY, Okla., Oct. 22.—A delay of two or three days in the impeachment program of the state legislature was seen late today when the lower house voted to have read all the testimony received by its committee of investigation and impeachment before voting on the acceptance of the committee's report. It was estimated that several hundred thousand words were included in the voluminous transcript from which the testimony will be read.

Under this procedure a vote on the charges which formed the basis for a bill of impeachment against Governor J. C. Walton laid before the house earlier in the day by its committee on investigation and impeachment is not expected before Wednesday.

Moral turpitude, corruption in office, wilful neglect of duty and incompetency are alleged in the 22 counts contained in the house indictment, all of which will be voted upon separately.

Each of the counts constitute sufficient grounds upon which to bring the executive to trial before a senate court of impeachment.

#### May Suspend Governor

Arrangements to suspend Governor Walton from office until his trial, should any of the charges be sustained by the house were completed today by majority members of the senate when they agreed in caucus to vote a resolution of suspension immediately the house formally files the impeachment proceedings.

The house adjourned late this afternoon until tomorrow morning after the first committee testimony to be read—that of Aldrich Blake, former executive counselor, whom the governor summarily removed soon after the legislature convened—has been completed.

Tomorrow the reading will be resumed. Two clerks reading continuously are expected to consume at least 24 hours in the oral presentation.

Early this evening, Governor Walton had made no comment on the impeachment proceedings.

#### Blake's Testimony

Blake's testimony, as read in the house related in detail his official relations with Governor Walton. His mysterious journey out of the state shortly before martial law was proclaimed thru-out the state he told the committee, "was for purely financial reasons." Further questioning brought out that he had gone to New York and Michigan for the governor seeking funds to fight the Ku Klux Klan. This money, he said, was to have been used in establishing a newspaper to counteract the influence of the state press. He said he interviewed Ralph Pulitzer, publisher of the New York World, but that he obtained no financial assistance either from him or anyone else.

"I raised nothing at all," the testimony quoted him as saying.

## UNDER BOND BECAUSE VICTIM DIDN'T JUMP

(By the Associated Press)  
DECATUR, Ill., Oct. 22.—A. T. Hill, 24 of this city was at liberty on bond of \$4,500 to-night after charges of assault with intent to murder had been filed against him. He was arrested this morning after confessions had been made by two friends that Hill was the driver of an automobile which last Thursday night ran down and seriously injured Frank C. Peers, an elderly man of this city.

According to the confessions, Hill is alleged to have said to his friends:

"See that fellow crossing the street? Watch me make him jump."

#### DIAMOND CREEK POWER PROJECT CONSIDERED

Washington, Oct. 22.—The federal power commission devoted several hours today to consideration of the application for a license covering a power project at Diamond Creek in the Colorado Canyon, but reached no decision. The project has been characterized as the Keystone of the entire development of the Colorado Basin.

#### TO REVIEW IRRIGATION

Washington, Oct. 22.—Decision to investigate each of the major federal irrigation projects from its inception to the present state of development was reached today by the special advisory committee on reclamation. Before the committee's final report is submitted to Secretary Work, Chairman Campbell, former governor of Arizona, said it is intended to analyze every step taken by the supervising bureau possible, the basic cause of the present situation of the federal program.

## Newmark and Boyle are Pardoned by Governor

(By the Associated Press)

WAUKEGAN, Ill., Oct. 22.—Ben Newmark and Michael "Umbrella Mike" Boyle, serving six months jail sentences for contempt of court in connection with their failure to answer questions of the grand jury investigating alleged attempts to bribe the jury that tried Governor Small for conspiracy were released from the Lake county jail here tonight when commutations of their sentences, granted today by Governor Small were placed in the hands of Sheriff Edwin Ahlstrom. They left at once for Chicago.

Attorneys representing both Newmark and Boyle appeared here tonight with the commutations which they presented to the sheriff. The sheriff at once ordered their release. As they emerged from the Lake county jail Newmark's car driven by his chauffeur, drove up. Both men got in and started for Chicago without any delay.

A. V. Smith, state's attorney of Lake county who it has been reported would demand that the sheriff re-arrest the couple as soon as they were released on the grounds that the governor had no authority to commute the sentences, failed to take any action tonight. It was understood, however, that he had changed his plans and expected to go before the supreme court when it meets in December and ask for a writ of mandamus to compel the sheriff to re-arrest the men.

Boyle and Newmark were sentenced to jail last summer after refusing to answer the grand jury's questions. They disappeared but about two months ago Boyle was arrested in Wisconsin.

## ROYALIST TROOPS IN REVOLUTION AGAINST MILITARY GOVERNMENT

### General Mataxas Leads Two Thousand Greeks in Revolt

(By the Associated Press)  
ATHENS, Oct. 22.—Some two thousand men led by the Royalist General Mataxas, have revolted against the military government of Greece. The proclamation, signed by the general, announced the revolution and the water left pure first not only for the fish but for the people, Senator Smith W. Brookhart of Iowa, asserted in a luncheon address here today. The luncheon was given by the chamber of commerce to the senators on the waterways committee which held a hearing here today on the bill.

He referred to the large amount of matter coming into the Illinois river from Chicago that needed cleaning and said that he understood that St. Louis also was at fault to some extent in this respect.

In speaking of the Chicago angle, Senator Brookhart said: "I think we should clean up the stockyards. They never should have gone to Chicago anyway. This river project upon completion will permit stock yards out in Iowa, in Missouri, in Illinois and all along the valley."

Senator McCormick of Illinois said that numerous amendments to the bill would be necessary to safeguard the interests of all the Mississippi valley but that he felt the chief purpose of the bill was to get the stage from the lakes to the gulf, would become law at the next session of congress. He predicted that if this came true the people now living would see a 14 foot channel from the lakes to the gulf.

## INTERNAL CONDITION IN GERMANY SERIOUS

(By the Associated Press)  
BERLIN, Oct. 22.—Scenes approaching a panic took place on the boulevards today and at the time there was some question of closing the boulevards. The tragic political situation sent the dollar up to forty-seven billion marks after the official rates had been quoted and all the possessors of large quantities of paper marks tried their utmost to rid themselves of them, while the holders of securities refused to sell for paper marks.

With food prices reaching fantastic heights and the word "millions" gradually disappearing, as scarcely anything can be purchased under billions, many of the stall holders in the public markets preferred not to open to-day for fear of being plundered, while others anxiously sold their goods from behind the protection of iron shutters.

Butter was disposed of in limited quantities at ten billion marks per pound and it is announced that the price of a loaf of bread will be raised tomorrow five billion.

#### WORKS THIRTEEN HOURS ON 103RD BIRTHDAY

Vancouver, B. C., Oct. 22.—Charles "Ded" Quick, maker of racing saddles, celebrated his 103rd birthday today.

Ordinarily he works only eleven hours a day. Today he put in 13.

"People are better working than loafing," he declares. "Work gives one an appetite for food and sleep. Staying up late at night is no good."

"Dad" took a course of dancing lessons several months ago, but his love for work has so far prevented him from practicing his newly acquired art.

## SIX RHINELAND TOWNS OCCUPIED BY SEPARATISTS

### Arrest and Disarm Police; Several Injured in Battle

(By the Associated Press)

PARIS, Oct. 22.—There were violent incidents in Aix La Chapelle tonight, says a despatch to Le Matin from Brussels. The police decided to oppose the Separatists and tried to tear down the Rhineland colors from public buildings. A squadron of Belgian cavalry turned out ready to intervene is necessary.

Later the police fired on a group of Republicans, who replied. Several persons were killed. Fighting was still going on when the despatch was filed but the correspondent said it was believed the separatists were maintaining control of the city.

Paris, Oct. 22.—Two hundred Separatists occupied the city hall at Wiesbaden at 8 o'clock this evening, according to a despatch to the Echo de Paris from Mayence.

They arrested and disarmed thirty policemen and repulsed an attempt of counter-manifestants to recapture the hall.

Aix La Chapelle, Oct. 22.—Six towns are known to have been captured by the Separatists up to this evening in addition to Aix La Chapelle. They are Munchen-Gladbach, Crefeld, Julich, Montjoie, Cleve and Duren. The present plan as learned tonight calls for the occupation of Coblenz tomorrow. Coblenz will be declared the capital of the Republic and its occupation will probably be carried out under the leadership of Joseph Matthes, who surprised at Wiesbaden by the event at Aix La Chapelle Sunday, spent most of the night in an automobile traveling to the scene of action. He reached Duren this morning in time to give orders for the occupation of the city which took place early in the afternoon.

#### Matthes Not Present

Herr Matthes was not present at the actual occupation of the town hall, having gone to Aix to consult with the other leaders regarding further activities. The operation was not without a dramatic element. A group of American newspaper correspondents arrived at the town hall just after the Separatists unfurled their flag over the door and were interviewing the burgomaster when a delegation of Separatists burst into the office and demanded the keys. The spokesman, a large man with a round shaved head, said unceremoniously that unless the keys were given up they would break down all the doors. The burgomaster persuaded them to wait until he had finished with the newspapers.

Having disposed of the Separatists temporarily, the burgomaster, who is a perfect Prussian type, told the Americans that he supposed there was nothing to do but comply adding:

"We are powerless in the face of the occupation troops. There is no doubt that nine-tenths of the population are against separation from the reich, but what can we do? There are 16,000 occupation forces here in a city of 40,000. Altho they are ostensibly neutral we quite realize they are fostering separation. We have no arms; we can only submit."

The burgomaster said he would propose handing over the town hall if the Separatists would permit the garrison to continue their work but nothing was decided. An hour later the city buildings were occupied.

## NEXT SESSION TO BE HELD IN CHARLESTON

(By the Associated Press)

WASHINGTON, Oct. 22.—The supreme council, thirty thirty three, ancient and accepted Scottish Rite, Southern Jurisdiction, will hold its next meeting in Charleston, S. C. the last week of next September. The council was in session here last week.

In announcing today that the 1924 meeting would be held in Charleston, the council said that "a sentimental interest attaches to this choice because the supreme council of the southern jurisdiction which is the mother council of the world and by recognition thereby all other supreme councils receive their regularity was organized at Charleston, S. C., in May 1891."

#### ROCKWELL SECRETARY OF MCADOO MOVEMENT

Cleveland, O., Oct. 22.—David R. Rockwell, of Ravenna, and Cleveland for years a leader in the Democratic party of Ohio announced today that he has accepted the post of national manager of a movement to make former Secretary of the Treasury William McAdoo the Democratic candidate for the presidency in 1924.

## PUBLIC HEARING BY COMMITTEE IS HELD ON VETERAN BUREAU

### General Hines Testifies "Great Abuse" in Dental Work

(By the Associated Press)

WASHINGTON, Oct. 22.—Sharp objections by Charles R. Forbes of Seattle, former director of the Veteran's Bureau, marked the opening day of public hearings before the senate committee investigating the operations of the bureau. Mr. Forbes declared that he had come 3,000 miles and from a sick bed to assist the committee and to demand his integrity, which, he said, is under attack and insisted that he should be given the right to be heard in reply to statements concerning his administration as they are made.

Senator Reed, Republican, of Pennsylvania, chairman of the committee of three senators told Mr. Forbes that neither he nor any other particular individual is "on trial" and that at the proper time he would be given "ample opportunity to explain, or object to, or contradict," any statements presented in the hearings.

Brigadier General Frank T. Hines, retired, present director of the bureau was on the witness stand thruout the day and was questioned about the organization of the bureau. The director told of conditions as disclosed by a three weeks survey made by him after he came into office on last March 1, and of steps taken to bring about changes.

Among other things, he testified that there had been "great abuse" in connection with dental work for former service men. There have been charges of fraud in connection with this work, he added, and many of the papers in connection with the cases have been turned over to the department of justice for investigation.

He declared 300,000 bills for dental work came in one month and at one time the cost for this work mounted to \$6,000,000 a year. Now the cost is running around \$3,000,000 a year, he continued, adding that orders have been issued to have the work done in government hospitals unless the railroad fare for the veteran exceeds the cost by a private dentist.

## TROOPS READILY SWEAR TO OBEY NEW GOVERNMENT

### Strengthen Secessionists by Aligning With Von Kahr

(By the Associated Press)

MUNICH, Oct. 22.—The hand of the Bavarian secessionists has been strengthened by the action of the seventh division of Reichswehr troops which declared absolute allegiance to the reich and swore obedience to the Bavarian government of which Dr. Von Kahr is the dictator. It has been hoped in Berlin that this division would remain faithful to the central government but the troops readily took the oath binding them to obey their superiors and the Bavarian government until an understanding between Bavaria and the reich has been reached.

General Von Lossow who is in command of the Bavarian reichswehr notwithstanding the appointment to that place of General Baron von Krosenstein by the Central government, reviewed the Munich garrison today after they had formally obligated themselves to obey the Bavarian government in its capacity as temporary custodian of the federal troops.

Official quarters in Munich continue their insistence that Bavaria is not contemplating secession from the reich and declare that the present trouble is one of political differences between Bavaria and the Berlin government, not the German Republic. In the course of a speech before a public gathering today, Premier Von Knilling said:

"No matter what suspicions are raised against us, or how grossly we are maligned, Bavaria proposes for all time to remain true to the German empire despite her determination to assert her sovereign rights as a state."

General Von Lossow has sent a radio message from Nuremberg to the reichswehr in Berlin, Spandau, Hanover and other centers declaring that Bavaria does not intend to break faith with the reich.

#### PRESIDENT COOLIDGE HAS NEW DUTY

Washington, Oct. 22.—President Coolidge in addition to his other duties was called upon today to select one of his two bears for presentation to the National Zoological Park.

The Bears—grizzlies from Northern Mexico—were brought to the white house by R. B. Pearson, an old frontiersman who said he specializes in roping wild animals. Mr. Coolidge went to the front of the white house and fished to choose his bear while the Oklahoma City Firemen's Band which had just called on the chief executive played a circus tune.

Mrs. George Calhoun, made a shopping trip to the city from Franklin, Mo.

## IMMENSE CROWDS SHOW HONOR TO D. LLOYD GEORGE

### Pays Tribute To Soldiers and Sailors at Indianapolis

(By the Associated Press)

INDIANAPOLIS, Ind., Oct. 22.—The state of Indiana welcomed David Lloyd George, the war time premier of Great Britain today, the day being set aside in his honor and thousands coming here from distant points to give him a cordial greeting upon his arrival shortly before noon. Met by a reception committee headed by Governor McCray and including Mayor Samuel Lewis Shank, United States Senators Watson and Ralston, the former premier was taken on a drive thru the city.

Accompanied by troops from Fort Benjamin Harrison and by former service men the distinguished visitor was driven thru streets lined deep with people which at some points crashed thru the ropes and surrounded the official automobiles. At the Soldiers and Sailors Monument, he stopped to place a wreath and again at the national headquarters of the American Legion he paused for a few minutes to sign the register and receive a plaque from the organization.

Mr. Lloyd George lunched privately with a few guests and then spent the afternoon quietly, dining privately again tonight before going to Cadde Tabernacle to deliver an address.

#### Enters in Triumph

Mr. Lloyd George's trip to this city from Louisville, Ky., resembled a triumphal tour, great crowds surrounding his train at every stop and with the blaring of bands and cheering extending a hearty welcome to the state. He acknowledged the demonstrations by appearing upon the observation platform of his private car bowing and shaking hands and speaking a few words in appreciation of the greeting of the people.

In a discussion with newspapermen on public questions he remarked in reply to questions on prohibition that he was not at all impressed with the difficulties of enforcement for the law was not new and was drastic. Time would demonstrate he explained whether prohibition possesses essential merit and if it does, he added, he believed it would stand.

A message of gratitude for the part America played in the World War was delivered tonight by the former premier. Speaking to a great audience in Cadde Tabernacle, the man who bore such an outstanding part in the war with lofty eloquence coupled with his message, an appeal that the United States and Great Britain continue to co-operate for peace.

#### Urges Conciliation

At the same time in discussing conditions in Europe the former premier urged the Lincoln touch—conciliation not vengeance.

Referring to Germany he said: "Having overthrown the military autocracy that menaced us—it is a broken creature, lying on the plains of Central Europe at this moment—let's not begin to destroy a nation. Let's have reconstruction peace in the world. Vengeance is a poor thing, it breeds vengeance; it propagates its kind; let's have peace, conciliation, wisdom. Let's have the great doctrine of Abraham Lincoln in Europe again."

Answering his own question of who won the war, he said: "The man who won the war was the humblest man in the steel helmet. God bless the man in the steel helmet and his children."

#### BOY KILLS COMPANION WHILE OUT HUNTING

Decatur, Ill., Oct. 22.—Charles Kurelaytis, 17, residing near Niantic, died in a local hospital tonight from the effects of a sun shot wound sustained this afternoon while he was hunting with two companions.

The gun carried by Huey Mosley, 16, also of Niantic was accidentally discharged.

#### Mrs. Alberta Long was a local hopper from Ashland Monday

## WEATHER

Illinois, Fair Tuesday and probably Wednesday, slowly rising temperature.

#### Temperatures

spirit in its support together with additional funds.  
Since all the money needed cannot come from the general activities, the funds must come from a special tax or from revenue secured from patients from other localities.

Records show that property values in Evanston have increased 100 per cent in the past two years. At the state convention of realtors in Moline one of the speakers declared that at least half of this increase was due to Evanston's zoning law.  
This is encouraging news for Jacksonville's city plan commission, which will no doubt at some later time bring forth a zoning suggestion.

**WHAT YOU EAT**  
Do people acquire the characteristics of what they eat? Yes, according to one scientific theory supported by many vegetarians. A lot of us have the same notion lurking in the back of our heads—as, for instance, the popular belief that feeding raw steak to a prize fighter makes him ferociously aggressive.

Possibly this theory will explain the sad, resigned facial expressions of so many of the patrons of the buttermilk bars.  
On the other hand, last night in a restaurant we observed a frail, timid-looking little woman industriously attacking a huge steak, French fries, salad.

pie and the like. Over in the corner sat a big cruiser of a man, picture of health. He was eating crackers and milk.  
Considerable sensation has recently been caused among the world's anthropologists by F. P. Armitage's book which presents the theory that racial characteristics are determined by the diet consumed over many generations.

Armitage claims that racial pigmentation or coloring is controlled by the amount of salt habitually consumed with food. His theory is that the dark races could bleach themselves considerably by eating more salt for many generations.  
And so on, Armitage arguing that all the physical characteristics, peculiar to the various races and nationalities, are the result of ancestors' diet.

If he's right, the eventual absence of alcohol from the American diet may work some startling changes in our descendants' appearances.

**MARRIED FIFTY YEARS**  
If one were to look thru the files of the Pulaski (N. Y.) Democrat and turned to the year 1873 there would be found in one of the weekly issues the following paragraph:  
"Married, Oct. 22, at the house of the Hon. Calvin Littlefield, Belleville, N. Y., by the Rev. J. Douglas of this village, Mr. Ensign Moore of Jacksonville, Ill., and Miss Clara King of Jerseyville, Ill., daughter of the late Rev. George I. King, D. D."

So from this record there is evidence that Monday, Oct. 22, 1923, marked the fiftieth wedding anniversary of Mr. and Mrs. Moore, who have long been counted among the prominent people of Jacksonville. There was no formal celebration of this important anniversary, but Mr. and Mrs. Moore did receive congratulations from some of their more intimate friends who knew of the anniversary and the fifty years of domestic peace and happiness that it marked.

It is a gratification to the friends of Mr. and Mrs. Moore to realize that time has dealt so gently with them.  
**GUESTS AT WEDDING**  
C. A. Fiedler and two children and Curtis Fiedler have returned from Batchtown in Calhoun county, where they were present at the marriage of Miss Bessie Fiedler and Mr. John Eadney. The ceremony took place Sunday at the Fiedler home. Mr. and Mrs. Eadney are to reside in St. Louis.

**CLASS AND CHURCH HOMECOMINGS OCCUR**  
Queen Esther Class of Grace Church and Members of First Baptist in Gathering Sunday.  
Sunday, Oct. 21, occurred the first homecoming and reunion of members and former members of the Queen Esther Bible class of Grace church, taught by Mrs. Charles Hopper. After the morning church services all repaired to the dining room, where the excellent contests of well-filled baskets were appreciated by all present.

The after dinner toasts were peculiarly fitted to the occasion, and were given by T. V. Hopper, Rev. Harry B. Lewis, Miss Jeanette Scott and Miss Olivia Dunne. A musical program by the Rawlings family was much enjoyed.  
In a short business session it was voted to organize as the Queen Esther Bible Class association of Grace church, and to hold an annual meeting. The following were the officers elected:  
President—Mrs. Charles Hopper.  
Secretary-treasurer—Mrs. Esther Agnew Woods.

The annual homecoming at First Baptist church was held Sunday, with a record attendance. More than two hundred persons sat down to an ample dinner in the church dining room. A spirit of enthusiasm prevailed and everyone felt at home and at ease.

A brief program was given, consisting of music and speeches. C. H. Story presided, and the pastor, Rev. A. P. Howells, was the principal speaker. He told the members something of the state convention at Oak Park church in Chicago, from which he returned Saturday. He expressed great hope for the future of the church and painted a picture of new buildings, new equipment and a larger work. He told something of the work being done in the way of expansion by Chicago churches, especially emphasizing the building phase. The Oak Park church is erecting in units a plant that will cost a million dollars. The singing at the meeting Sunday was led by L. B. Turner.

**P. & L. CORPORATION MAKES APPOINTMENTS**  
Chicago, Ill., Oct. 22.—Two important appointments to the official roster of the Illinois Power and Light Corporation were announced today by William A. Baehr, vice president and general manager.  
Thomas J. Lucas, electrical and gas engineer of many years experience and widely known in the public utilities field was appointed chief engineer and E. S. Hight, electrical engineer, was made general operating engineer of the big corporation. The headquarters of both will be at Chicago.  
Fort the last 14 years Mr. Lucas has been associated with the William A. Baehr Organization, Consulting Engineers, Chicago. He has been active in the direction of the engineering work of the Illinois Power and Light Corporation since the organization of this company on June 1, this year, formed by the consolidation of numerous public utility companies of the Middle West.  
Mr. Hight is an engineer well known in the field in Illinois. For a number of years he was chief operating engineer of the Illinois Traction Company, with headquarters at Peoria, Ill. He will finish construction of the Topeka, Kansas, power house the transmission line from Topeka to Atchison and the construction work underway at the Venice, Ill. power house, properties of the Illinois Power and Light Corporation, and will also be responsible for efficiency and operation of the various power plants of the company.

**NETTLE IN HAND IS FATAL INJURY**  
J. M. Kennedy Dies Sunday Night From Blood Poisoning—Was Life Resident of County.  
John Marcellas Kennedy residing northeast of the city, died at Passavant hospital about 11:30 o'clock Sunday night as the result of blood poisoning. Some time ago Mr. Kennedy was engaged in pulling weeds from his tomato patch when he ran a nettle into his hand. The injury became infected and blood poisoning quickly followed.  
The deceased was born Jan. 1, 1869, on a farm two miles north-east of Concord. He was the son of Hezekiah and Mary Ann Rexroat Kennedy. He spent practically his entire life in Morgan county. His wife preceded him in death about twelve years ago.  
He is survived by two daughters, Lillie and Josephine Kennedy, and also two brothers, Oliver Kennedy of Arenzville and G. W. Kennedy, northwest of this city.  
Funeral arrangements have not yet been made and will be announced later.

**LOCAL HOSPITALS ON APPROVED LIST**  
Passavant and Our Saviour's Hospitals Again Find Place on List Approved by American College of Surgeons.  
A list of the Approved Hospitals of the United States and Canada announced yesterday by the Clinical Congress of the American College of Surgeons, contains the names of the two local hospitals, Passavant and Our Saviour's. Both of the local hospitals have for several years past had the distinction of having place in the list of approved hospitals. This is because of the fact that each of the local institutions keeps up its standard and improves its equipment from time to time.  
Of the 1786 hospitals included in the survey which the report was based, 1176 came up to the standard of the College of Surgeons. In Illinois 63 hospitals, or 51.2 per cent won place on the approved list.  
The following is the announcement made by the American College of Surgeons with reference to the approved list:  
"The fifth annual announcement of the Approved Hospitals of the United States and Canada was made this morning at the Conference of the Clinical Congress of the American College of Surgeons here in session at the Congress hotel by Franklin H. Martin, M. D., director general. In making this official announcement, Dr. Martin highly complimented the hospitals of both countries which had taken steps laid down by the college as necessary to merit such well-marked recognition. 'By your action,' he said, 'you have pledged yourselves to see that the best care possible is given to the patients in your hospital.' The report is based on a detailed survey made by experts through a personal investigation of all general hospitals of fifty beds and over in the United States and Canada. This investigation is made for the purpose of appraising the service rendered the patient, based on the definite requirements set forth in the Minimum Standard

**Work shoes \$1.98, dress shoes \$4.85. Hopper's**  
**HALLOWE'EN PLANS ARE TAKING SHAPE**  
A meeting of the committee in charge of the coming Halloween festival will be held this morning at 9:30 o'clock at the Chamber of Commerce. The committee consists of Harlan Williamson, general chairman, B. F. Lane, Dr. R. C. Bentley, M. E. Gilbert, J. C. Walsh, Fred Hopper and C. H. Von Foss. This body of men will be divided into committees on street lighting and decoration, prizes, music and parade. A prize of \$10 in gold is to be offered for the best costume appearing on the street. There will be also prizes of \$5 and \$2.50, several \$1 prizes and a number of merchandise offerings.  
It is planned, if possible to flood light the west side of the square, so that the parade may be more easily witnessed by spectators. The orchestra which will be playing that night for the American Legion dance, will be in the parade, and suitable music, probably the community band, will be secured to head the procession. More details of the affair will be announced from time to time.

**HENRY W. PEARSON GAVE ORGAN RECITAL**  
Pleased Large Audience in First of Series of Faculty Recitals at Woman's College.  
Since Mr. Henry Ward Pearson came to the Woman's college five years ago, he has opened the series of faculty recitals for the season with an organ program given either on or near the date of the founding of the college.  
This annual event has come to be one of the outstanding musical treats of the season and those who follow the work of Mr. Pearson most closely are those who are most eager for the program and are on tip toe to hear what he offers. Well balanced programs that give variety and charm, send the audience home satisfied and with the general comment that "it was just right" are sure to remain long in memory; and such are his programs.  
This program presented numbers by four eminent American men in the field of organ work; the American composer is fast making himself felt and in no other field is his work more widely known than in composition for the organ. The fact that the American organ is the most highly developed instrument of its kind in the world, has nurtured the inventive spirit of those whose work finds expression here.  
The audience was an unusually large one and most appreciative; demanding at the close of the program another number. "O this demand Mr. Pearson acceded gracefully and responded with "Meditation" by Banks.  
This program is unique among those given by this particular organist. The fresh satisfying registrations were especially to be noticed, and the absence of shrill, piping reeds most grateful. Mr. Pearson's intimate acquaintance with his instrument brought about most happy combinations and the dexterity of change of registration made the sharply contrasting moods the more poignant.  
From every angle the recital was a success, whether viewed from the standpoint of the man on the bench or from that of those to whom he ministered.

**JUDGE SAMUELL ADDRESSED B. Y. P. U. MEETING**  
The B. Y. P. U. of Mt. Emory Baptist church is progressing more and more each week under the direction of the pastor, Rev. W. Henry Snowden, the president, Miss Susie Lynch, and group leaders.  
These workers are striving to make these meetings as interesting as possible to interest the young and old.  
The union was honored Sunday evening with the presence of Judge H. P. Samuell who gave

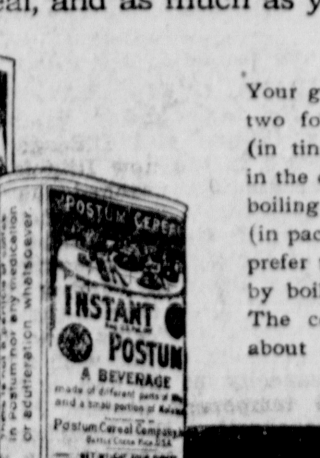

a very interesting talk on "Hoping Others."  
Judge Samuell's message was practical and helpful. He said he was not regular in church attendance, but he urged the Union members to stick to the church and the uplifting of Christ's kingdom.

## Sister Mary's Kitchen

### STALE BREAD

There are any number of ways in which stale bread can be turned into a real asset.

When bread becomes stale, dry it immediately. If allowed to accumulate for any length of time it's apt to become mouldy and really worthless. Put the crisp bread through the fine knife of the food chopper and the crumbs are ready for "crumbing" purposes.

Buttered toast crumbs should not be mixed with plain bread crumbs unless used at once.

If an entire loaf of stale bread becomes too dry for table use try "French toast." This is delicious for breakfast or luncheon.

There is a luncheon dish of bread and cheese that is nourishing and "tasty."

The bread puddings are almost legion and range from the simplest affair for children to a rich and plum-y suet pudding for gala days.

"Stale" bread crumbs and "dried" bread crumbs are two different ingredients and can seldom be used as substitutes for each other.

**French Toast**  
Eight slices bread cut about one-half inch thick, 1 egg, 1-2 teaspoon salt, 1-8 teaspoon pepper, 1-4 teaspoon cinnamon or nutmeg, 3-4 cup milk.

If eggs are plentiful two should be used in place of one. Less milk is necessary.

Beat egg slightly, add milk

and seasonings and mix well. Dip bread in mixture and fry to a golden brown in half butter and half lard. Serve very hot with syrup. Do not let bread stand in the egg mixture after dipping. Dip each piece and fry immediately.

### Emergency Luncheon Dish

Butter thin slices of stale bread. Line a baking dish with butter. Sprinkle with salt and pepper. Sprinkle with grated or finely chopped cheese, season with salt and paprika and a tiny dash of mustard. Add another layer of bread, sprinkle with cheese and seasonings. Pour over one egg well beaten with one cup milk. Cover with a layer of bread, buttered side up. Let stand until the bread absorbs the milk. If the bread is at the side of the dish. Bake in a moderate oven until the cheese is melted and the top is brown.

**Jam Sandwiches**  
Eight slices of stale bread, butter, jam, frying batter.

To make frying batter—One cup flour, 1 tablespoon melted butter, 1 tablespoon cream, 2 eggs, 1-2 teaspoon salt, 4 tablespoons warm water.

The bread should be cut about one-quarter inch thick. Make sandwiches, spreading each slice with butter and jam and covering with the remaining slices. Cut sandwiches in neat squares or triangles, depending on the original shape.

Sift flour into mixing bowl, add salt, yolk of one egg and cream. Slowly add water, beating until smooth. Beat vigorously. Let stand half an hour. Beat whites of eggs until stiff and dry and fold into mixture. Dip each sandwich in the batter and fry in deep hot fat until a golden brown. Serve very hot. (Copyright, 1923, NEA Service, Inc.)

### HOW FAT ACTRESS WAS MADE SLIM

Many stage people now depend entirely upon Marmola Prescription Tablets for reducing and controlling fat. One clever actress tells that she reduced steadily and easily by using this new form of the famous Marmola Prescription Tablets several times a year, keeps her weight just right. All good druggists sell Marmola Prescription Tablets at one dollar for a case, or if you prefer you can secure them direct from the Marmola Co., 4612 Woodward Ave., Detroit, Mich. If you have not tried them do so. They are harmless and effective.

### WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often time symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.

## OAK LAWN THEME AT COMMUNITY DINNER

**Proposal to Close Tuberculosis Sanatorium Brings Protest—Company Gathered for Conference—Relief General that Work Should Be Continued—May Ask Other Counties to Co-operate**

Dr. George T. Palmer, president of the State Tuberculosis Association, and Dr. Inas Rice of Aurora, superintendent of the Kane county tuberculosis sanatorium, made the principal addresses at the community dinner given Monday evening at Central Christian church under the auspices of the Anti-Tuberculosis association.

There were 300 people present and it was made clear that the large and representative company believed that Oak Lawn Sanatorium should be continued.

The plan of interesting other counties in sending their tubercular cases here was one way other than from the general tax fund suggested to meet the expenses of the sanatorium. Dr. Palmer said that Menard and Pike are among nearby counties without sanatoriums but planning for work in this line.

Dinner was served beginning at 6 o'clock after a musical program had been given by the Elite Six orchestra. Rev. M. L. Pontius presided as chairman and referred very briefly to the purpose of the gathering. After the addresses by Dr. Palmer and Dr. Rice, there were informal talks by W. R. Turnbull and A. A. Curry, members of the sanatorium board. A brief talk was also made by Dr. Roberts, superintendent of Oak Lawn, and Dr. Thomas S. Smith, manager of publicity for the tuberculosis association, presented interesting facts with reference to the finances of the county.

### Questions and Answers

Opportunity was given for questions and a number were asked and answered. In concluding his remarks Mr. Turnbull read a letter from Mrs. Jean Comerford, official visitor for the state welfare department, telling of her recent inspection of Oak Lawn and expressing her appreciation of the excellent condition in which she found it. The letter might possibly be construed as documentary evidence to offset some of the indirect and direct statements that Oak Lawn has not prospered as an institution because improperly managed.

Dr. Rice spoke from the viewpoint of a sanatorium superintendent and told of the progress of the work in Kane county. The past year the management of the sanatorium asked for \$43,000 and spent \$63,000, but there seems to be no thought that the work is costing more than it is worth. He emphasized the thought that education with reference to tuberculosis is the important thing and that continued effort along this line is necessary for the protection of the public.

Dr. Palmer has long been active in public health affairs in Illinois and in the fight against tuberculosis. He is the president of the state association and a director of the national association. Although an enthusiast in anti-tuberculosis work, he by no means confines his efforts to that particular line of endeavor. Dr. Palmer told of the preparation of the law which makes it possible for counties to abandon their sanatorium work and said that when this law was drafted it never occurred to him that there might be an effort to follow such a course here in Morgan county which has always had the name of leading in public health affairs. He made reference to the open air school and to the pioneer work done here in scientifically fighting tuberculosis.

**Education Needed**  
He too laid stress upon the need there is for education and said that the education of the subject that in 15 years the mortality rate had been reduced 50 per cent.

Dr. Palmer made reference to the splendid tuberculosis sanatorium in McLean county, where he said the average cost of maintenance was \$4.60 per day, which is much higher than the Morgan county cost. He said that the costs here are not too high but that Oak Lawn should be caring for a larger number of patients, that clinical work should be done, that more equipment was needed and summed up his statements in this regard that the institution has not had a fair chance because of lack of money. He pointed out the great property loss which would occur if the institution, which is not fitted for any other purpose, should be closed.

W. R. Turnbull, member of the board, said that the members of the board have the sanatorium very much at heart and that any one who has the idea that they wish it junked and closed are entirely mistaken. He said that whatever is deficient about the institution is the result of the lack of funds.

### Jolts for Local Work

Then he went on to say that the first jolt Oak Lawn received was when it was found that the special tax for its maintenance could not be levied without a vote of the people. The second jolt came when the proposal for a tax was voted down a year ago. Mr. Turnbull said that it was a great surprise to the board that the women's federation of clubs worked against the authorization of this tax. (Later Mrs. W. T. Scott speaking for the federation said that the federation had originally been opposed to the tax

but later on finding it really needed, had worked for it at the polls.) Mr. Turnbull said it was not material whether or not the present board was continued but that he would challenge anyone to visit the sanatorium and fail to find it in good condition, the patients happy and doing well.

Then he read the letter from Mrs. Comerford commending conditions found. This letter will be printed in another issue.

A. A. Curry also a member of the board, declared that Oak Lawn is not a failure. He recounted some of the facts in the history of the sanatorium and said that Dr. Martin, at one time superintendent, had gone to another field of work because the lack of funds here made the future uncertain and also made it impossible to develop the property with any rapidity.

Mr. Curry said by all means that Oak Lawn should be continued and that its work should be broadened and made more effective. He referred to the present conditions and the atmosphere that prevails at the sanatorium. Dr. Roberts, superintendent of the sanatorium, invited taxpayers and others interested to visit the sanatorium and see exactly what is being done. He said that the death rate for the past year had been but eight per cent and that in various ways it could be shown that worth while work is in progress at Oak Lawn.

Dr. Thomas Smith in a very foreboding way presents facts with reference to county finances, proposing to show that the amount of money expended for Oak Lawn is not out of proportion to the sum available for the other expenditures necessary from the general fund. These informing figures will be presented at another time.

The conference closed after St. W. Nichols had made a brief further reference to county finances.

**Sale Girls Winter Coats, \$5.00.—THE EMPORIUM.**

**HAVE COLOR IN CHEEKS**  
Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Take one or two nightly and note the pleasing results. Millions of boxes are sold annually at 15c and 30c.

## Costs Little, But Stone Values It Above \$1,000

"A thousand dollars wouldn't buy the good Tanlac has done me," is the emphatic statement of J. B. Stone, 915 W. North St., Clinton, Ill.

"Almost every bite of food I ate in the past twelve years hurt me. For hours after a meal I had a bloated, stuffed up, heavy feeling, and at times the gas on my stomach almost cut off my breath. My kidneys bothered me, I had fearful backache and felt so tired and worn out some days I could hardly move."

"Nothing did me any good until I got Tanlac, but it certainly did fix me up. My stomach got better right away, the indigestion disappeared and now I feel better than I have in years and can work just as good as if I never had a lame back."

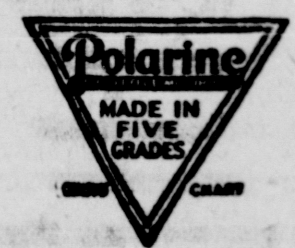

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Take Tanlac Vegetable Pills. —Adv.

## THE GIANT OF SERVICE

### Read How Bill and Hazel Got on the Right Road

Bill Dixon always had trouble trying to save. He would put aside a few dollars each week for a time, but something always seemed to take the dollars away from him. He saved hard for a year and married Hazel. Away went the savings again—with furnishing the home and the other things that a young couple must have. They struggled on, happy as could be, but with no money ahead—only hard work and plenty of expenses. THEY HAD NO SAVINGS PLAN.

Then Hazel heard how easy it was to use the Cumulative Monthly Savings Plan of the Illinois Power and Light Corporation. She did a little figuring and found that they could buy five shares of the Company's 7% Cumulative Preferred Stock for twenty-five dollars a month—just about the sum that melted away each month without their knowing where it went. After talking it over, they decided that very evening to start the plan.

Now you should see what a difference it makes to them. They have just as much now as they had before for their regular expenses. But the monthly twenty-five dollar payments are drawing 7% interest from the time they are made and when they come to the last payment there will be nothing for them to pay—because this interest will take care of that. And best of all, they are placing their savings in a strong business that they have known all their lives.

You can do what Bill and Hazel are doing, and just as easily. By the Cumulative Monthly Savings Plan you can buy this stock now at \$95 a share (par value \$100) and pay \$5 a share each month and each payment draws 7% interest from the day it is made. This interest on the payments will be enough to make the last payment for you.

Over 60% of our employees own this stock and many are buying it on this same Cumulative Monthly Savings Plan. Find out about this Plan and the other attractive features of the investment. Mail the coupon or call at our office for full information. Do it today.

**Illinois Power and Light Corporation**

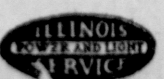

Illinois Power and Light Corporation  
Jacksonville, Ill.

Please send me, without obligation, full particulars about your 7% Cumulative Preferred Stock.

### STATE TEAPOT DOME OIL FIELD FAILING

WASHINGTON, Oct. 22.—The senate public lands committee beginning at investigation today of the government's lease last year of the Teapot Dome, Wyoming naval oil reserve to the Sinclair interests made public the reports of two expert geologists which declared the field's potential production has been greatly over estimated.

Both experts who made an investigation for the committee agreed that a large part of the reserve was subject to drainage by nearby wells and also that it could not be held indefinitely as an undeveloped field. Leasing in some form was necessary the committee was told to prevent great loss thru drainage by adjacent wells.

As against an original bureau of mines estimate that the reserve would produce 135,000,000 barrels, Frederick G. Clapp of New York, one of the committee's geologists, gave a rough estimate of 26,000,000 barrels, while the other investigator, James O. Lewis of Tulsa, Oklahoma said it would be not less than 12,000,000 nor more than 24,000,000 barrels.

The "first said" from which 30,000,000 barrels had been expected was said by the experts to be entirely barren.

Peoria, Ill., Oct. 22.—R. L. Voorhees, 50, new manager of a change grocery store at Canton, was found dead in the store this morning, a few hours after he assumed his duties. Death is believed due to natural causes.

Peoria, Ill., Oct. 22.—Found hanging to a tree near her home early today, Miss Minnie Christoff, 46, of Cruger, near here, is believed to have ended her life because of ill health.

Peoria, Ill., Oct. 22.—Mercury dropped to 26 above here this morning and nut gatherers took to the woods to harvest a bumper crop of walnuts and pecans.

## BRIEFS

(Continued from Page One)

New York, Oct. 22.—F. J. Lisman, chairman of the bondholders' committee of the Des Moines and Keokuk railroad, which has instituted foreclosure proceedings because of non-payment of principal on Oct. 1, indicated today that a majority of the bondholders had deposited their bonds with his committee.

Madison, Wis., Oct. 20.—Clarence Haverling, alleged to be a man connected with a jail break at Rock Island, Ill., four years ago was taken into custody by Madison police today and is being held for identification from Illinois authorities. Haverling is alleged to have escaped at Rock Island after being sentenced to a term at Joliet prison for car theft.

Chicago, Oct. 22.—Prohibition agents from the Chicago headquarters raided a dozen soft drink parlors in Sycamore, Ill., on Saturday night and arrested 13 men who today were held in bonds of \$1,000 each charged with violating the prohibition laws. A small amount of liquor was seized.

New York, Oct. 22.—An offering of \$10,000,000 federal intermediate bank credits 41-2 six months notes at par and accrued interest was made today.

Washington, Oct. 22.—The federal government was granted a supreme court review today of its case against Roland R. Pothier, charged with the murder of Major A. P. Cronkhite at Camp Lewis, Wash., during the World war.

Washington, Oct. 22.—The tariff commission, in an opinion to President Coolidge today held that it is without jurisdiction under the flexible provisions of the tariff act to alter the retaliatory duty provided under Section 401, which covers logs of fir, spruce, cedar or western hemlock. It was the first opinion to be rendered to the president under the flexible provisions.

New York, Oct. 22.—Public offering was made today of \$15,000,000 20-year 6 1/2 per cent convertible sinking fund gold debentures of the International Match Corporation at 94 1/2 and accrued interest to yield over 7 per cent.

New York, Oct. 22.—Incoming orders of the Westinghouse Electric and Manufacturing Co., for the quarter ending September 30, amounted to \$41,940,000, compared with \$37,453,000 in the corresponding period last year and \$47,749,000 for the second quarter of 1923.

Peoria, Ill., Oct. 22.—Nabbed after he had fired one shot, W. J. Boswell was fined \$25 and costs for shooting at ducks before sunrise. He was arrested at 5:55 o'clock, sunrise being at 6:19.

Rockford, Ill., Oct. 22.—An unidentified motorist believed to have been crazed by booze, ran down and killed William Chupka, 40, last night and escaped before the license number of his car could be obtained.

Dixon, Ill., Oct. 22.—Horace G. Reynolds, age 70, president of the Reynolds Wire Co., of Dixon, wealthy pioneer wire cloth manufacturer died at his home in Dixon, Sunday.

Galesburg, Ill., Oct. 22.—Robbers knocked the lock off the safe of the Chicago, Burlington and Quincy railway depot at Wataga, five miles from here last night and escaped with \$102 in cash and money orders and checks of an unknown total.

Quincy, Ill., Oct. 22.—Charles Shepherd, 19, was brought here today from Hannibal, Mo., charged with bigamy. He married Ida Meyer here last July and four weeks ago was again married, this time to Mary Pettit, of Hannibal.

Brussels, Oct. 22.—Leo Deckers, the sixty years old manufacturer, who is one of the leaders of the separate coup at Aix La Chapelle, said today that the separatists would recognize the treaty of Versailles, and were ready to assume their share of the reparations. He added that Coblenz would be the capital of the new republic.

The Rhineland forces, he said, were organized into military formations but were unarmed. Nevertheless, they knew where to find weapons if necessary, he added.

Harrisburg, Pa., Oct. 22.—M. H. Ropac, sports department of the Philadelphia Public Ledger; H. J. Boyle, Pittsburgh and Charles F. White, Philadelphia, today were appointed by Governor Pinchot, members of the state athletic commission, created by the 1923 legislature to regulate and control boxing and wrestling.

Tuscola, Ill., Oct. 22.—Miss Irene Veach of Charleston, Ill., was killed and Miss Jessie Alfred of Mattoon seriously injured when the small car in which they were riding and being driven by Mont Jones of Mattoon was hit on a crossing here Sunday night by a car shunted on a switch by a C. & N. W. freight.

## Social Events

### Gave Program on Art

The Delphian Society met at the Public Library Monday afternoon with Mrs. Ed Tindall as leader. The topics were interesting and were as follows: "Egyptian Art" Miss Violet Davis, "Egyptian Museum," Mrs. Lucy Davis, "Karnah Temple," Mrs. A. H. Dollear, "Mesopotamian Art," Mrs. G. Roy Scott, "Palace of Sennacherib," Mrs. G. S. Rogerson, "Babylonian Art," Miss Minnie Plus, "Phoenician Art," Mrs. John W. Clary, "Hebrew Art," Mrs. J. E. Roore.

The next meeting of the society

will be held on Monday November 6th.

### Gave Tea at I. W. C.

The members of the Sophomore class of I. W. C. who were Alpha Phi Delta's last year gave a tea at the college yesterday afternoon for the Alpha Phi Delta's of this year. The Alpha Phi Delta is the Freshman society of the college.

### Birthday Party

Mr. and Mrs. W. R. Lovell of the Providence neighborhood spent Sunday Oct. 21, in Girard at the home of Mr. and Mrs. J. W. Brendle where they were invited to help celebrate the 70th anniversary of Mr. Brendle's birth. About forty relatives and friends partook of the sumptuous dinner and the afternoon

was spent in singing and conversation. As evening drew near all departed for their homes, wishing Uncle "Tom" many happy returns of the day and feeling they had spent a day which would long be remembered.

### To Give Masquerade.

Invitations have been issued by Miss Louise Muehlhausen to a masquerade dance which she will give Friday evening October 26th at the Peacock Inn.

The hospital Aid society of the Central Christian Church met yesterday afternoon at the home of Mrs. W. O. Wait on Westminster street. There was a splendid attendance and the time was spent in sewing, making surgical dressings and marking towels. After the work was over there was a social hour during which time delightful refreshments were served.

### Guild To Give Tea

The members of the Trinity Altar Guild met yesterday afternoon at the home of Miss Ursula Fawcett on West North street.

There was a business meeting in which there was a discussion of plans for the tea to be given by the Guild next Friday afternoon and Friday and Saturday evenings, the main feature of which will be the exhibition of George E. Burr's etchings.

After the business session there was a very enjoyable social hour at which time the hosts served delightful refreshments.

### East Side Tuesday Club To Meet

There will be a meeting of the East Side Tuesday Club this afternoon at the home of Mrs. R. C. Singley at 1058 West College Avenue.

A very interesting program has been planned, which will include the following: A paper by Mrs. G. R. Bradish on the subject of "The Large Colleges and Universities of the United States." A paper on "American Painters and Sculptors," by Mrs. T. O. Hardesty. The members will answer to roll call by giving the name of some college.

There will also be a business session and a social hour at which time the hostess will serve refreshments.

### Is Pleasantly Surprised.

A very pleasant surprise party was given Art Sheppard of St. Louis at the home of his grandparents, Mr. and Mrs. J. S. Fanning 322 E. Independence Avenue Monday night. The evening was spent in various games, music and dancing.

Prizes were won by Jesse White and Louise Annings. Pumpkin pie, coffee and pears were served. Those present were:

Russell Nunes, Jack Pennell, Jesse White, Henry Boston, Tommy Begnel, Louie Kennedy, Freda Adams, Helen Franz, Marjorie Franz, Dortha Mills, Elton Dowling, Milton Wright, Mary Fernades, Art Sheppard, Louise Annings, Marie Roberts, May Roberts, Mickie Hayden, Gladys Hayes and Roy Wilson.

Mrs. W. Hoffman and Mrs. Fanning assisted in serving and entertaining.

## FUNERALS

### Capps

Funeral services in memory of Mrs. Marion Grierson Capps were held at 10 o'clock Monday morning at the Capps home, 252 Park street. Rev. H. B. Lewis, pastor of Grace church, assisted by Dr. R. O. Post, had charge of the services and the beautiful, simple services were carried out as requested by Mrs. Capps, who left a written statement as to the character of service she desired.

The hymn, "O, Love That Will Not Let Me Go," was read by Rev. Mr. Lewis, followed by passages of scripture including the 23 Psalm, selections from John 14, and the 103rd Psalm, which was followed by a prayer by Rev. R. O. Post. Rev. Mr. Lewis then repeated a poem, "How Beautiful to be With God," closing the service with a brief prayer.

Flowers were in charge of Mrs. J. Capps and Miss Bellatti. The bearers were H. M. Capps, J. G. Capps, Dr. Walter Frank, Walter Bellatti, Ralph I. Dunlap and Herbert J. Capps. Interment was in Diamond Grove cemetery.

## ENTERTAIN FOR GUESTS AT CHAPIN

Mr. and Mrs. Earl White Gave Dinner Party for Kansas Guest—Other Chapin News Items.

Chapin, Oct. 22.—Mr. and Mrs. Earl White entertained at a family party Sunday in honor of Mr. and Mrs. George Drake of Mulvane, Kansas. Other guests were Mr. and Mrs. C. E. Drake and son Charles Edward and Mr. and Mrs. William Thompson and Mrs. Fannie Elliot of Jacksonville.

Sunday evening Mr. and Mrs. Charles Drake entertained for Mr. and Mrs. George Drake the following guests Mr. and Mrs. Alpha Anderson and sons James and Carlton, Mr. and Mrs. John Drake and daughters Ella, Cordelia and Rovia and Mrs. Fannie Elliot, who will be a guest at the Drake home for the week.

Mrs. Ada Funk who has been spending several days in Jacksonville visiting relatives was expected home Monday.

The little son of Mrs. Adella Baylis Cooper has an attack of scarlet fever.

Miss Ruth Moody came home from Manchester Saturday evening and spent Sunday with her mother, Mrs. Maggie Moody.

Dr. and Mrs. F. M. Roberts of Jacksonville were visitors here Sunday.

Mr. and Mrs. John Boddy of Markham were in Chapin Sunday

night to hear the Rev. F. J. Baylis who preached at the M. P. church.

Miss Isabelle Fox who teaches public school music in the Waverly grade school will give a musical program at the Waverly high school Tuesday morning. The program will consist of violin and piano numbers and musical readings. Miss Fox will be assisted by Miss Maad Hart of Waverly who will serve as accompanist.

## DEATHS

### Snyder.

A message was received Monday afternoon by John L. Snyder of East College avenue announcing the death of his father, William Snyder at Palmyra, Mo. The elder Mr. Snyder had been a resident of Marion county Mo. for more than 65 years and was nearing his 94th birthday at the time of his death.

The funeral services will be held in Palmyra, Wednesday afternoon, and Mr. Snyder plans to leave tomorrow morning to attend the funeral.

### Duer

A telegram received here Sunday by Miss Anna Duer brought the news of the death of Mrs. Mayme C. Duer of Hastings, Nebr. The deceased was the widow of the late W. R. Duer, the family having moved from Morgan county to Hastings nearly thirty years ago.

Mrs. Duer was past eighty-two years of age and had been in comparatively good health until recent months. Many of the older residents of Morgan county remember her well and will be sorry to know of her death.

Deceased is survived by four sons, Robert of Springfield; Will of Southernland, Ore.; John of Portland, Ore.; and Charles of Hastings, Nebr.

## TO SPEND \$1,000 TO PROVIDE MORE GIFTS

Purchasing Committee in Charge Will Add to Display of Presents—Demand for Coupons Grows.

On last Saturday, by actual count 1077 persons visited the display room of the Profit-Sharing campaign gifts in the Scott block. The number of articles exhibited is steadily growing, and the display is considered most alluring.

It is the intention of the purchasing committee to spend an additional \$1,000 for gifts, as the number of coupons being purchased by merchants warrant such an expenditure. It is planned not to have any money left in the treasury when the campaign closes, and if possible to raise the number of gifts to one thousand. Several pieces of furniture are to be added to the display.

Altho the campaign begins a month earlier this year than last and during the dull season, there has been a steady and growing demand for coupons. Some merchants have already bought and distributed to customers as many as 5,000. An advertising campaign of considerable extent is being planned. Within a few weeks 10,000 hand bills will be printed and distributed by airplane over the trade area. These bills will carry cuts of the four cars to be given away and will describe the aims of the campaign.

Pride in Her Furniture is Justifiable

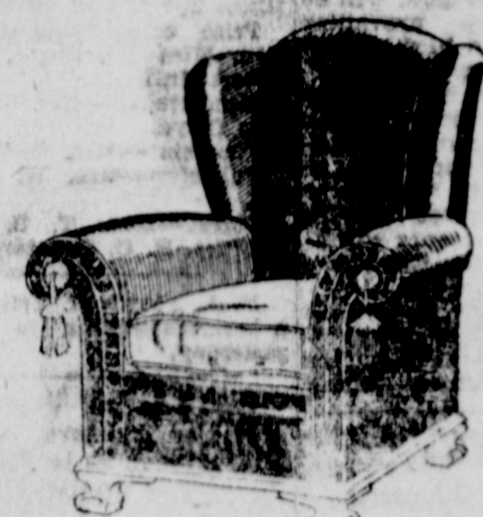

FURNITURE should be selected as carefully as a painting or piece of sculpture . . . it should reflect cultured taste in its design and beauty, as well as good judgment in its qualities of seating comfort.

Every woman may transform her home from the commonplace to one of good taste and distinction by the gradual replacement plan—piece by piece, without purse strain, but with thoughtful discrimination.

This is the time to satisfy your furniture requirements. Buying good furniture at price reductions effects a substantial saving without sacrifice of quality.

**OUTLINED PLANS FOR THIS YEAR'S WORK**  
Executive Board of David Prince Parent-Teachers Association Met—Committees Named—Will Boost Attendance  
The first executive board meeting of the David Prince Junior High School Parent-Teachers Association was held at the Teachers' room at the Junior High School Monday afternoon at four o'clock.  
There were twenty-five members present and plans were formulated for the year's work, and some committee chairmen named. Two contests were arranged for, a membership attendance contest similar to the contest held last year, in which the grade receiving highest percentage of attendance of parents at the Parent-Teacher's meetings received a prize. In addition to this, a parents visiting contest will be put on. Parents are requested to visit the classes of the Junior High school, and details for the contest will be worked out by the committee having the contest in charge. This, it is hoped, will do away with the idea prevailing among many junior high school pupils that parents must quit visiting the children in school after they leave the grammar grades.  
The first meeting of the Parent-Teachers' association will be held Thursday night when the first attendance contest will be begun, and announcements will be given of the plans for the year's work.  
Supt. B. F. Shafer will give the main address of the evening, after a word of welcome from the principal, Miss White. Harry Birdsall will render a violin solo, accompanied by Miss Carter, music instructor. A chess room exercise by the students will also be given.  
It was decided by the board that refreshments would be dispensed with for the first meeting of the year, with the approval of the association, in order that the children might be present at the meetings, as both room and service are inadequate for the numbers of both parents and pupils, to serve refreshments. After the business meeting a social hour was enjoyed during which time refreshments were served.  
**Committees Named**  
The following are the committees named, the remainder to be given Thursday night:  
Pledge—Mrs. Carl York, Miss Carter, Miss McDaniels, Miss McCullough, Miss McMurphy and Miss Cloyd.  
Attendance contest—Miss Grassley, Miss Marion Spruit, Miss Alkire, Mrs. John W. Chipchase and Mrs. A. G. Cady.  
Visiting contest—Miss Mason, Mrs. C. H. Rammelkamp, Mrs. E. P. Brockhouse, Mrs. U. G. Mason, Social—Mrs. Byron Graff, Mrs. John Teyman.  
Health—Mrs. J. I. Graham, Misses Spruit and McDaniels.  
Prize committee—Miss Hackman, Miss Blackburn, and Mrs. Robert Mullenix.  
Membership—Mrs. S. I. Davis, Miss Cloyd.  
Financial—Mrs. Carl Richards.  
Publicity—Mrs. W. L. Breding.  
Ticket—Mrs. T. O. Hardesty and Mrs. E. D. Canatsey.  
N. J. Floyd of Meredosias was a business visitor in the city yesterday.

**TODAY**

**ROUTINE BUSINESS BEFORE CITY COUNCIL**

Regular Session Held Monday Night—Filling Station to be Built at Corner of Hardin and College Avenue.  
The city council held a regular session Monday night. Mayor Crabtree, City Clerk Scott and Aldermen Blesse, Chapin, Chumley, Fairbank, Harmon, McGinnis and Sorrells were present.  
A petition was read from W. E. Boston, who wishes to build an oil filling station at the corner of Hardin and College avenue. The frontage of consenting property owners necessary under the ordinance has been secured and the matter was referred to the building committee, with the recommendation that it be granted. Mr. Boston is to conform to all state fire marshal's rules.  
On motion of Alderman Chapin the bid of Otis Hoffman for the construction of additional concrete work at Mauvaisterre dam was accepted and the mayor and clerk were instructed to enter into a contract.  
There was some further discussion about projected sidewalks in the first ward and it was decided on account of the lateness of the season that no more walks shall be laid on the city's order until the spring months. At that time it is the firm intention to clean up any undone sidewalk work.  
Lester DeWitt, property owner on South Mauvaisterre street, was present to ask that a water main be laid in the street, and as there is much interest on the part of property owners it is likely that this work will be done.  
Superintendent of Streets White reported progress in the work of laying a sewer on Superior avenue to connect with Park Place. A complaint was made by Alderman Sorrells of a fill made in the alley adjoining the building recently projected by William Wright on South Main street. The contractor is to be asked to put the alleyway into the condition it was before the building was erected.  
Another complaint was made by Alderman McGinnis with reference to damage to East Court street by heavily loaded trucks. This matter was referred to the ordinance committee of which Alderman Harmon is the chairman, with the expectation that an ordinance will be drafted specifying the maximum weight of truck loads.  
The ordinance prohibiting the keeping of hogs in the city was read and laid over under the rules. This ordinance was presented because of technical error in the ordinance which was passed several months since.  
Alderman Sorrells suggested the plan of securing from the park board authority to dump refuse matter in the ravine north of Mauvaisterre lake head, with the purpose of eventually leveling the property and beautifying it. The matter was referred to the health committee. The council adjourned at 9:30.

**FUNERAL OF WOODSON RESIDENT YESTERDAY**

Mrs. John R. Smith Given Last Rites at Christian Church With Large Audience Present.  
Funeral services for Mrs. John R. Smith were held at 2:30 o'clock yesterday afternoon at the Woodson Christian church, in charge of the new pastor, Rev. W. H. Drumm, assisted by Dr. G. W. Miller. Music was furnished by a quartet consisting of Dr. and Mrs. R. R. Jones, Mrs. J. T. Self, and William Coulton. The services were attended by a large crowd of relatives and friends of the deceased.  
The flowers were in charge of Misses Pauline Smith, Dorothy Biggs, Mabel Winter and Lola Harney. The bearers were P. C. Self, Edward Gallagher, Thomas Irlan, Lewis Fisher, George Stapler and John Baxter. Interment was in Asbury cemetery.  
Among those from outside the community who attended the funeral were: O. E. Smith and little daughter, Margaret Elizabeth, of Los Angeles, Calif.; Mrs. Anna Harney and daughter Lola, and son, Kenneth of Curran; and Samuel Wilson of Dawson, Ill.

**URANIA LODGE IN REGULAR MEETING**

A regular meeting of Urania Lodge No. 243 was held Monday night with a large attendance of members present. It was decided to hold a pep meeting next Monday night, when the degree staff will be reorganized by staff captain Robert H. Harch, and plans made for the winter's work. Teams are to be formed at the next meeting and Noble Grand York will announce the names of those who are to act as captains.  
Chas. J. Roberts, representative to Grand Lodge, gave a detailed report of the proceedings of the Grand Lodge sessions held in Springfield, Ill., Oct. 16th, 17th and 18th.  
There were several visitors present from surrounding lodges. Judge Wm. E. Thomson, grand guardian, gave a report of the degree work as exemplified by Progress Lodge of Chicago.

**HERE FROM ST. LOUIS**

Mr. and Mrs. Frank Rutherford, of East St. Louis, motored to the city yesterday and are making a brief visit with the former's parents, Mr. and Mrs. Calvin Rutherford, who returned yesterday from a motor trip to Milwaukee, Wisconsin.

**FOR RENT**

**HUSBAND SHOT AT HER, WOMAN SAYS**

Mrs. Charles Anderson Claims That Man Sent Rifle Bullet Close to Her Head—Booze in the Case  
Recently Mrs. Charles Anderson, residing north of the city, appeared in a justice court, complaining that her husband had shot at her with a high-powered rifle. The bullet, she said, went close to her head and buried itself in the wall behind her.  
It appears that the pair were quarreling and that Anderson has been drinking. Mrs. Anderson did not push the case against her husband, and authentic information is to the effect that "there's a reason." It is reported that the Anderson place had been raided several times by officers in search for liquor. Search warrants have been issued for this purpose, tho all attempts to find convicting evidence at the place have thus far been unsuccessful.

**ALEXANDER CLUB TO HOLD OPEN MEETING**

Woman's Club Will Give Banquet to Which Gentlemen Will be Invited—Other News Notes.  
On next Thursday evening the Alexander Woman's club will hold its annual open meeting at the home of Miss Helen Hines. This is the big event of the year for this organization, and the one time when the gentlemen are invited. A banquet will be given which will be attended by about 75 persons. The program for the evening is a secret, and it is customary that it should not be given out by the committee before the meeting. The chairman of the program committee is Miss Althea Hall.  
Mrs. Hattie Kitzer has gone to Bluffs for a visit with relatives. Mrs. Myrtle Ogle and daughter have gone to Hannibal, Mo., to spend the week with the former's mother.  
A number of Alexander residents attended the precinct Sunday school convention at Union church in Piskah Sunday.  
Mr. and Mrs. D. Reed of Bates spent Sunday as guests of friends and relatives at Alexander.

**FACTORY SEEKERS TO VISIT OTHER CITIES**

The industrial committee of the Chamber of Commerce is planning a tour of the larger cities of Illinois for the purpose of studying their methods of obtaining factories and securing other industrial data. They will go first to Decatur, leaving Wednesday morning in cars. They will later visit Joliet and Peoria. The committee consists of T. A. Chapin, chairman, Louis Frank, H. L. Caldwell, E. H. Gray, A. R. Taylor, H. E. Wheeler, O. F. Buffe and Fletcher Blackburn.  
It is hoped that the industrial committee in its tour of other live cities of the state, will get hold of something that will be of assistance for local industrial growth.

**RALLY DAY PROGRAM AT BROOKLYN CHURCH**

Services of very special interest were carried on at Brooklyn M. E. church Sunday, the occasion being the annual Rally Day of the church. At the morning service the program as originally announced was carried out with one or two changes. The musical program included a piano duet by Misses Olive and Kathryn Randle, a solo, "I've Done My Work," Mrs. J. Bart Johnson, and a violin solo by Lyle Johnson.  
Dr. Wallace N. Stearns of Illinois Woman's college made a forceful address on the theme "The Boy From the Back Lot." This was based on the story of David and from the Bible narrative the speaker drew some "worth while" lessons for the youth of today.  
In the evening the Epworth League Rally Day program began at 4:30 o'clock, with Miss Kathryn Randle as the leader. The election of officers resulted in the choice of the following:  
President—Mrs. Harriett Craver.  
Vice-Pres.—Kathryn Randle.  
Secretary—Louise Sheppard.  
Treasurer—Otis Irie.  
Announcement was made of a cabinet meeting to be held this evening at the home of Mrs. Thomas Craver.  
Following the meeting of the Epworth League Dr. Stearns gave an illustrated lecture on "Under Syrian Skies." A number of beautiful slides illustrating the Holy Land were shown and described by Dr. Stearns, who has himself visited Palestine and is thus able to give facts at first hand with reference to its points of interest.

**FUR SALE TODAY AT HERMAN'S**

**CITY PLANNERS TO CONFER THIS EVENING**  
A sub-committee of the City Plan Commission will confer this evening with Earl Mills, representative of the Harlan Bartholomew Co., city plan experts of St. Louis. On Thursday evening there will be a special call meeting of the commission to consider the report of this sub-committee, and if possible, to employ a city planner for Jacksonville.

**Chicken Supper Northminster church Thursday, Oct. 25, 6 P. M. 50 cents.**

**VETERAN EMPLOYEE OF CITY PASSES TO REST**

William H. Catherwood Dies Monday Morning After Long Illness—Was High Mason.  
William H. Catherwood, for twenty-five years a city employee of Jacksonville passed away at 4:30 o'clock yesterday morning at Passavant hospital, having been in failing health for some time. He was ill last winter for several weeks, but during the summer his health improved. However, about two months ago, he was forced to resign his position as house mechanic at the fire department. His death is greatly regretted by city officials and employees, as he was a valued public servant, and had also formed many lasting friendships among those with whom he worked.  
Mr. Catherwood was born Nov. 18, 1867, the son of Robert H. and Eliza J. Dunavan Catherwood. He first entered the city employ as a fireman at the local light plant. When the water system was installed by which the city was to draw its supply from the river, Mr. Catherwood rendered valuable service and was for a time in charge of the power station at Bluffs.  
About eight years ago, Mr. Catherwood entered service in the city fire department. While horse-drawn apparatus remained in use, he had charge of the steam engines and was known as the department engineer. When the equipment was motorized he became the house mechanic, a position which he held until his resignation.  
Mr. Catherwood was a 32nd Degree Mason, a member of Harmony Lodge No. 3, A. F. & A. M., a Knight Templar, and a member of Favorite Lodge 376, Knights of Pythias. He was a man highly respected by all who knew him and his loss is felt keenly in the community.  
Funeral services will be held at 2:30 o'clock Wednesday afternoon at the Gillham Funeral Home, in charge of Rev. M. L. Pontius. Interment will be in Jacksonville cemetery.

**TAILORING Cleaning, Repairing Pressing while you wait FRANKENBERG, N. Main**

**HOLD LITTLE HOPE FOR PALMER HUNT**

Palmer Hunt, well known high school athlete, son of Fire Chief and Mrs. Samuel Hunt, lies in a critical condition at Passavant hospital. Reports obtained late last night gave his condition as no better. He is only partially conscious, and physicians hold out little hope of his recovery.  
X-ray pictures taken yesterday revealed a disturbance beneath the breast bone in dangerous proximity to the heart and lungs. The diseased area is in a vital position, where an operation to reach it would probably prove fatal. The case has baffled physicians, but is diagnosed as a form of blood poisoning.

**HOUSEHOLD SCIENCE CLUB TO MEET**

The Household Science Club will meet with Mrs. J. J. Reeve Tuesday afternoon.

**BOTTLE BROKEN, BUT DAVIS GOES TO JAIL**

Farmer Attempts to Destroy Liquor, But Fails to Save Man From Transport Charge.  
Charles Davis of the Sinclair neighborhood is now an inmate of the county jail, where he was placed yesterday on a charge of transporting liquor. In connection with the case, John Isaacs of the same locality was arrested on a charge of resisting an officer and fined \$5 and costs. He gave bond for his appearance and will fight the case. Here are the facts:  
Yesterday morning the sheriff's office received a telephone message from the father of Charles Davis, requesting that they come and get his son. It appears that young Davis had been beating his father. Deputy sheriffs made the trip to Sinclair and found that Davis in company with Floyd Flynn, had started for Springfield in a car. The deputies gave chase, and soon overtook the pair. They had stopped in the road in front of the Isaacs farm and were giving Isaacs a drink of what appeared to be whiskey. The officers requested Isaacs to hand over the bottle, which he refused to do. A deputy seized him by the collar to take the bottle by force. Isaacs smashed the bottle over the wheel of the car and turned to fight the officer. His arrest was the result.  
Davis and Flynn were also arrested, but no charge was lodged against the latter. Davis is in jail and information has been filed against him in county court.

**JACKSONVILLE LODGE IN REGULAR MEETING**

Jacksonville Lodge No. 152, Knights of Pythias, held its regular meeting at the hall on East State street last night. There was a good attendance and the rank of esquire was conferred on several candidates. Several new applications for membership were received.

Mt. Vernon School has planned to have a box supper October 26. Mrs. Geo. Dietrich was a Jacksonville caller Saturday.

P. C. Nickel returned from Riggsport Saturday, where he has been installing heating and plumbing in the residence of J. J. Funk.

**DREAD ALPS COLLECT HEAVY DEATH TOLL**

GENEVA—(By the A P)—The Alps take a steady toll of human life. Every summer mountain climbers come to Switzerland to scale its peaks, and every summer sees a number of tragic fatalities. Many bodies never are recovered for the devoted mountain climber often goes out alone and finds his last resting place deep in an ice crevasse or at the remote base of a precipice. Accidents have been unusually numerous this year.

Recently when a Swiss bank clerk named Goetsch, noted as a good climber, failed to return, searchers saw his body at the foot of a cliff. A rescue party led by a priest with 450 feet of rope, finally made the descent after 12 hours of dangerous work. They found beside the body a note saying: "Kindly bury me here."

The little funeral party rolled boulders and blocks of ice so as to form a mound over the man, they placed an ice-axe at his head as a cross, and the priest read the burial service.

The "sure cure," cough drops at Merrigan's.

**REAL ESTATE TRANSFERS**  
Marsh L. Denny to Earl E. Rogers, pt. lot 9, block 9, City addition, \$1.

THE EMPORIUM

## WAVERLY MINISTER CALLED BY DEATH

Elder G. A. Conlee Passed Away Sunday Morning—Funeral to be Held This Morning Over Waverly News.

Waverly, Ill., Oct. 22.—Elder J. A. Conlee passed away at 10:10 a. m. Sunday at his home here at the age of 68 years. He has been a minister for 30 years and pastor of the Promotive Baptist church of this place for 12 years. He had been in failing health for several months and his death was not unexpected. Surviving are the widow and one son, Albert, of Girard, two grand children, one sister Mrs. Jane Allen and two brothers Geo. and Harvey, all of Waverly. Funeral services will be held at 2:30 p. m. Tuesday at the Baptist church in charge of

Rev. George Murry of Winchester, Internment in East cemetery.

Mr. and Mrs. A. C. Blanke of Chicago came Saturday for a visit with Mrs. Blanke's mother Mrs. Frances Curtis.

Mrs. Lowell Hughes spent the week end visiting relatives in Jacksonville.

Mrs. W. E. Whitlock returned Saturday from Peoria where she had been to visit her little daughter, who is ill at a local hospital.

## FUR SALE TODAY AT HERMAN'S

Mrs. Fannie Buchanan was a caller in Jacksonville yesterday from Bluffs.

No Other Shampoo Can Do What FITCH'S Will

You can't have beautiful hair unless your scalp is clean and—your scalp can't be clean unless you use FITCH'S SHAMPOO, a scientific preparation recommended by doctors and nurses.

## TO SHOW FILMS AT

S. S. CONVENTION  
The Morgan county Sunday School convention will be held at Durbin M. E. church next Saturday night and an interesting program is being arranged for that occasion. Clarence L. DePew, secretary of the association, has announced that a part of the program will be the showing of the films representing the

work of the Anti-Tuberculosis sanatorium under the auspices of the Typographical Union at Colorado Springs, Colo.

Rev. A. P. Howells and Rev. W. R. Johnson of this city are announced as additional speakers for the session next Saturday afternoon. The former will discuss "Men in the Sunday School" while Mr. Johnson's theme will be "Evangelism."

FREE DELIVERY

## TELEPHONE TALKS

To get the best out of telephone service there must be co-operation among subscribers, as well as between the Company and subscribers.

The person calling should:

Be ready when the person called answers.

Speak in a well-modulated tone—not too loud.

Speak distinctly, with the lips close to but not touching the mouthpiece.

The person called should answer promptly. Both should avoid long telephone conversations, which result in busy signals to other subscribers who may want to get one or both of these telephones.

## SAVED FROM AN OPERATION

Now Recommends Lydia E. Pinkham's Vegetable Compound

Washington, D. C.—"Lydia E. Pinkham's Vegetable Compound saved me from an operation which a physician said I would have to have for a very bad case of female trouble. My system was all run-down for two years after my little girl was born. Then I read of your wonderful medicine and decided to try it. I could hardly drag one foot after the other, and after taking six bottles of the Vegetable Compound I felt like a new woman. I now do all my housework, also washing and ironing, and do not know what real trouble is. My health is fine, and I weigh 130 pounds. When I started taking it I weighed 95 pounds. I gladly recommend Lydia E. Pinkham's Vegetable Compound to any one who is suffering from female trouble or is in doubt. You may use this testimonial for I am only too glad to let suffering women know what the Vegetable Compound did for me."—Mrs. G. A. HEWITT, 1529 Penna. Ave. S. E., Washington, D. C.

Such letters from women in every section of this country prove beyond question the merit of Lydia E. Pinkham's Vegetable Compound.

mouth. Every use of Pepsodent gives them manifold effect.

# LATEST NEWS OF THE SPORTING WORLD

## ZEV AND MY OWN MAY SETTLE RIVALRY SOON

Plans Being Made for Their Entry at Latonia in November for Large Purse

NEW YORK, Oct. 22. (By the A. P.)—Zev, internal three year old champion as a result of its decisive victory Saturday over Papyrus, the English derby winner, will settle its rivalry with My Own for American honors in the Latonia championship at Latonia, Ky., November 3, unless present plans go astray.

Samuel C. Hildreth, trainer of Zev, today announced that the Ranocosa colt would be shipped to Latonia next week for the big stake and as Rear Admiral Cary T. Grayson, owner of My Own, already had entered his unbeaten star, it seemed assured that these two thoroughbreds would settle their disputed question of superiority.

"Nothing will keep Zev out of the race except a break down," declared Hildreth, who added that he had declined to enter his charge in the \$25,000 Washington handicap, at a mile and a quarter to be run as the closing feature at Laurel, Md., next Saturday. My Own is an entry in this event, but there was some speculation today as to whether Grayson might not withdraw his horse in anticipation of fulfilling at Latonia his desire to have the great son of King James match strides with Zev.

To Be Real Test  
Should My Own and Zev meet at Latonia it would be a real test for both thoroughbreds, for the championship is at a mile and three-quarters, two furlongs longer than the international race. My Own has proved his worth as a distance runner on more than one occasion and Zev disproved the contention of critics that he lacked staying qualities by demonstrating by both unusual stamina as well as marvelous speed in conquering Papyrus.

Matt Winn, general manager of the Latonia track, announced today that he would increase the value of the championship purse to the winner from \$24,000 to \$50,000 providing Zev and My Own go to the post. In such an event, Zev, if victorious, would come close to eclipsing the world's money winning record for a thoroughbred. This record \$320,000, now is held by Ksar, a French horse.

By taking \$80,000 of the \$100,000 international purse, Zev increased his earnings to \$254,936, setting a new American high mark, so that \$50,000 more would put the Ranocosa star's figure beyond \$300,000 and within striking distance of the top.

Wants No Special Match  
Hildreth declared he would not consent to a special match between Zev and My Own, but turfmen considered it likely that the prospective meeting of the pair at Latonia would amount to the

same thing. They considered it as likely that other entries in the championship might be scratched because of the central interest in the My Own-Zev contest which has been a source of heat contention since the two were rival candidates for the honor of meeting Papyrus.

With turf interest drawn to Zev and My Own, Papyrus, the gallant Britisher, drew but scant attention when he embarked this afternoon on the Aquitania, due to sail tomorrow morning for England. With him will go Basil Jarvis, trainer, and Steve Donoghue, the famous little jockey who won his fifth derby astride Papyrus at Epsom Downs this year.

Washington, Oct. 22.—My Own, Admiral Grayson's three year old thoroughbred, returned to his stable at Laurel today with a cold and coughing badly. The colt caught the cold, Trainer Burch said in the hurried trip to New York and back and being worked out in the rain at the New York track last Saturday.

"I hope we will have My Own in shape to meet all his engagements including the race at Latonia," said Admiral Grayson. "His cold is bad but not necessarily serious and I hope to have him in condition again soon."

## LEE FOHL TO MANAGE RED SOX NEXT YEAR

BOSTON, Oct. 22.—President Robert Quinn of the Boston American League Club announced tonight that Lee Fohl, former manager of the St. Louis Browns had consented to manage the Red Sox during the 1924 season, succeeding Frank Chance. Fohl was let out by the St. Louis Club in mid-season this year.

President Quinn said he had received a telegram today from Fohl saying he had arranged his personal affairs so that he could come to Boston next year to manage the club. Fohl added, Quinn said, that he would come to Boston in a few days to sign a contract. According to the Red Sox president there has been no dispute as to terms and nothing remains but the signing of the contract.

Quinn also announced the unconditional release of Jimmy Burke who was assistant to Frank Chance during the latter's term as Red Sox manager.

## TO SELL SPANISH SHIPS

Manila (A. P.)—Two United States naval vessels, in whose dark hulls is buried the accounts of years teeming with history and romance, have been placed on sale by the United States navy at the Cavite Naval Yard.

They are the Callao and the Barcelo, both of which were captured from the Spanish at Cavite in 1898 when the Cavite naval yard surrendered.

Now the United States navy is getting rid of them—to the highest bidder.

## INDEES AGAIN TRIM WINCHESTER LEGIONS

Fryman Allows Three Hits To Smithson's Eight—Boyd Stars at Short—Score 5 to 2

Again the Indies exhibited their prowess by winning Sunday's game at Winchester by the nifty score of 5 to 2. Howard Fryman let the locals down with only one hit until the eighth frame and altogether granting only three bingles during the entire game, while Smithson was nipped for eight hits by the visitors. The Indies error record was also good only two bobbles being charged while Winchester was guilty four times. One of the Jacksonville errors was against Henry Boyd at short on a very hard chance, otherwise Boyd played a perfect game going after hard ones and getting them.

The score:  
Indies. A. B. R. H. A. O. E.

## PAPYRUS' JOCKEY IS THIRD IN TWO RACES

NEW YORK, Oct. 22.—Steve Donoghue, famous British jockey who rode Papyrus in the international race Saturday with Zev accepted mounts in two of today's races at Empire City track but could do no better than third either time. Donoghue got third place with Ladkin in the fourth race won by H. T. Waters and landed the small end of the purse with Dominique in the sixth which was captured by Amor Patriae.

## ZUPPKE NEEDS TACKLE IN PLACE OF BROWN

URBANA, Ill., Oct. 22.—Coach Bob Zuppke today began the search for a tackle to replace Charles Brown, who was hurt in the Iowa game and will probably be out for the rest of the season. Gil Roberts, substitute center last year, was used for a time in Brown's place today. Captain Jim McMillen who performed at guard for the last two years is another possibility. He is exceptionally fast for a man of his weight and would add to the strength to the tackle positions which the Iowa assault showed the Illini lack now.

It was thru tackles that Parkin of Iowa made nearly all of his gains Saturday and Coach Zuppke is racking his brain to stop these gaps before Illinois is confronted by the plunging Maroon backfield a week from Saturday.

## HAPPY THOUGHTS TO RACE WITH SARAZEN

LAUREL, Md., Oct. 22.—Mrs. W. K. Vanderbilt's Sarazen and E. F. Simms' Happy Thoughts have been matched for a six furlong race at this track Friday, the winner to receive \$15,000, it was announced by Spalding Lowe Jenkins, president of the Maryland state fair association which operates the track.

Both horses are unbeaten, Sarazen having scored eight and Happy Thoughts six consecutive victories. Earl Sande, who rode Zev to victory over Papyrus Saturday will have the mount on Sarazen. Andy Scutlinger is to ride Happy Thoughts.

## GEORGIA TECH AGAIN METS NOTRE DAME

Atlanta, Ga., Oct. 22.—Georgia Tech will leave here Thursday morning for South Bend, Indiana, where Coach Alexander's golden tornadoes will clash for the second time with Knute Rockne's South Bend eleven. Tech's game this year has been confined almost to straight football. Display of the forward pass in which Notre Dame apparently excels, has shown a woeful lack of development. But the tornado in its hard southern schedule has shown an uncanny ability to come from behind and win in later periods of the game.

Notre Dame came here last year and won 14 to 0.

Harry Way of Virginia was a city caller yesterday.

## Brother and Sister First to Hold Two Golf Titles

CHICAGO. (By NEA Service)—For the first time in the history of golf in America two national titles are held by members of the same family.

In mid summer Dexter Cummings, shooting a brand of golf that would have been hard to match in any kind of tournament, surprised the smart set by stepping out and winning the national intercollegiate championship, defeating among others Rudy Knepp, the 1922 national amateur at the 1922 national amateur.

Last week Edith Cummings, not to be outdone by her younger brother, wrote another surprising chapter to the history of the golfing year by winning the women's national championship and thereby replacing Glenna Collett as the nation's premier woman player.

Dexter Cummings, champion of all the college players, Edith Cummings, champion of all the women players.

The long history of the ancient game falls to show that this distinction has ever been held by any other golfing family.

Its closest approach was furnished by the Wethereds of England. Joyce was England's woman champion last year. Roger won the men's amateur this year. But the two did not hold their titles simultaneously.

Miss Cummings is a lithe, willowy maiden of 23, with a well balanced game developed to a high point of proficiency.

Her fight for the topmost honor in American golf has been marked by a consistently steady advance. In 1919 she was eliminated by Mrs. W. A. Gavin in the first round. The following year she

EDITH CUMMINGS

went to the third round before Alexa Stirling threw her over. Last year, a semi-finalist, she was beaten by Miss Collett, and then only after a par-breaking round.

## ORIOLES AGAIN BEAT KANSAS CITY BLUES

BALTIMORE, Md., Oct. 22. (By the A. P.)—The Orioles prolonged the Little World Series by winning the seventh game from Kansas City at Oriole park this afternoon 10 to 9. Five runs behind when they came in for their final inning the Blues flashed a thrilling five run rally tying the score.

Baltimore however, came back in its half of the ninth and scored the necessary run to win. The score: Kansas City 100 020 015—9 13 0 Baltimore. 002 023 111—10 13 3 Schupp, Zinn, Wilkinson and Skiff; Groves, Thomas and Styles.

## BIG TEN STUDENTS ARE ALL ATHLETICS

By NEA Service.  
DETROIT, Mich.—The claim that none but the star athlete derives any benefit from the elaborate athletic systems in vogue at the big universities nowadays is all wrong.

Indeed, according to Fielding H. Yost, veteran athletic director at Michigan, it is a gross darn lie. Mr. Yost is one of those ardent, eager advocates of the greatest good for the greatest number. If he hadn't taken up athletics he doubtless would have gone into that hair grocery store thing in a serious way.

"The middle west is setting a record in mass athletics," Mr. Yost says. "In the Western Conference there are 10 universities. The approximate male enrollment is 45,000."

"How many of this number are athletically trained? The public probably thinks that only the star footballers and baseballers get any attention. As a matter of fact, we have figures to show that 35,000 students took active part in various kinds of Big Ten athletics last year, and the number will be even bigger this year."

## IOWA LINEUP LOSES THREE MEN BY INJURY

IOWA CITY, Iowa, Oct. 22.—Leland Parkin and Captain Glenn Miller backs and John Hancock, lineman, may be lost to the Iowa football team in next Saturday's game at Columbus, Ohio State, it was learned today when the team reassembled for the first practice following the defeat by Illinois Saturday. None of three reported for practice.

Team physicians did not disclose the nature of their injuries. In spite of Illinois' victory Saturday, Iowa is confident it has a chance to win against Ohio State. The latter's defeat at the hands of Michigan makes Hawkeye followers believe their team has better than an even prospect of victory. Coach Jones put his men thru a strenuous limbering up practice today and will start drilling them intensively tomorrow for Saturday's contest.

TO ERECT ADDITION  
Galesburg.—Another addition to the Galesburg Club will be the construction of a \$100,000 building. The new structure will include a laundry, registration plant and much other equipment that will aid in cutting down the operating expenses of the club. Large sums of money, it is said, are spent annually for ice and laundry.

## MYERS NOT REALLY CHAMPS SAY INDEES

Springfield Team Claim Central Illinois Championship—Locals Dispute Claim

In Sunday Morning's Springfield papers the statement is made that Myers Brothers team of Springfield has earned the title of champion of Central Illinois in the baseball line, and as a result Frank Smith's Indies have all arisen and blended their voices in one grand chorus. "How Do They Get That Way?"

Inasmuch as the two teams have met twice and ended with one game each and furthermore, as the Myers Brothers manager stated after the last game that he did not care to meet the Indies in another game the local ball tossers fail to see this championship stuff unless they are given some consideration. Manager Smith stated yesterday that he was contemplating the issue of a challenge to them for the extra game in some neutral town, possibly Winchester to decide which has the better right to the title.

When all dope is figured, the 1923 record of the locals is nothing to be ashamed of. Of course they have had their bad days, and also they made rather a poor start early in the season before they were thoroughly organized, but when they did get right they stayed that way. During the season they played 28 games, winning 16 and losing 12 which is a very fair percentage, considering the class of teams played, for instance the Plano Indians, St. Louis Cardinals, St. Louis Browns and all the fast semi-pro teams in this part of the state that Smith could book.

For it is a well known fact that no team who had anything of a reputation as real ball players failed to get a date with the Indies. Smith and his men feel confident that they can show the other team the way if they will

## The Nut Cracker by Joe Williams

Four major league managers are canned—much nicer than being pickled.

What the experts call a circuit smash is nothing more than a two-base hit with a gland.

William Tilden has gone in for the drama. We always heard he was up-stage.

Harry Willis is the last of the black heavyweights. Or rather he will be when Dempsey smacks him.

"What's become of the old-fashioned fellow who used to be introduced as a rich and influential brewer?"—Col. Hickory Knutt.

They play golf on the roof tous in Atlanta. All skylights must be replaced by the caddy.

Battling Nelson has had his ears made over 14 times. The first undred ears are the hardest.

Some college athletes go in for cross-country running. Others are just naturally peculiar.

John McGraw is going to Europe. Ought to get some sympathy from that other master mind, the kaiser.

Walk a mile before breakfast advises Walter Camp. But what if you don't smoke that brand?

Art Fletcher is going to lead the Phillies again. Just how far and in what direction is not stated.

consent to a third contest before the weather makes it impossible to play off the contest.

## I. S. D. TIGERS BEAT GREENFIELD HI BOYS

Get Long End of 0 to 0 Score at Greenfield Saturday—Next Game with Missouri

On account of the late arrival of the I. S. D. team from Greenfield Saturday night no mention was made in Sunday morning's Journal of the results of the game.

The deaf boys showed that they knew their stuff by annexing a hard fought game by the close score of 5 to 0. I. S. D. was greatly handicapped by the injury of Crabbe in the first quarter, however, he was able to get back into the game in the fourth quarter.

During most of the game the ball was kept in Greenfield's territory and several times the I. S. D. threatened but were unable to put it over. Most of the gains for the deaf boys were made by straight football, and they successfully pulled several forward passes.

On next Saturday the I. S. D. will play the Missouri School for the Deaf at the Missouri grounds. Last year on Illini field the Illinois boys had easy sailing with the Show-Me's and believe they can repeat this season.

## INDIANS WILL TRAIN AT LAKELAND AGAIN

CLEVELAND, O., Oct. 22.—Tris Speaker, manager of the Cleveland American League team left here tonight for his home in Hubbard City, Texas, after a ten day fishing trip in Canada. Speaker said the Indians who again train at Lakeland, Fla., next spring, added that the older pitchers would again be sent to Hot Springs, Ark., about two weeks in advance of the other players' departure for Lakeland.

Mr. and Mrs. George Cooper of Manchester spent Sunday with Mr. and Mrs. Glenn W. Howard at their home on Kosciusko street.

## A Sign of The Times—

Thursday, October 11, 1923

## LAND VALUES ARE GOING UP

An indication that the long prevailing lethargy of the land market is being shaken off, due perhaps to the more healthy condition of the grain markets, may be gained from the recent number of farm land sales in Champaign county. Sales reported for the last few weeks are:

North half northeast of 35-21-10 sold to John Sage for \$500 per acre. Northeast and north half southeast of 25-21-10 sold to Studer & Gleason for \$200 per acre. Northeast of 9-21-14 sold to Thomas Gordon for \$250 per acre. West half, west half of 16-20-14 to Martin Huls for \$275 per acre. The Spencer farm of 180 acres in Crittenden township sold to Olds Brothers for \$230 per acre. South half southwest of 13; south half southeast and northwest south east 14-19-7 sold to Willard Goodman for a figure near \$300 per acre. It will be noted that the prices are considerably above what land has been selling for for some time. Farmers as a result of the upward trend are more optimistic than at any time during the last three years. It is expected that land values will continue to rise steadily during the coming year.

Champaign News-Gazette

Similar conditions are found in other sections and they are founded on sound economic situations. Grain prices are so much stronger than they have been since 1919 that the land which produces the nation's food is certain to advance in value.

Prices have not yet been advanced on Straus Quality Farms. They are still below in true worth of the land. Terms of sale, also, are unusually attractive.

Come over and see our farms which are producing 45 to 80 bushels of corn an acre—corn selling today for 80 cents a bushel. Let us show you by the record of the soil itself that you have an unequalled opportunity offered you now. You will not be obligated by any investigation you may make. Illustrated catalogue sent free on request. Can you afford to delay?

## RETURNS TO CALIFORNIA

Miss Harriet Cockrell will  
leave this morning for her home  
in Oakland, California, after a  
six weeks' visit with relatives  
and friends in Morgan and Scott  
counties. Part of the time was  
spent with a sister, Mrs. C. L.  
Melton of South Jacksonville,  
and the two sisters visited a  
third sister in Plymouth, Ill.  
Mrs. Melton and Miss Cockrell  
then proceeded to Davenport,  
Iowa, where they were guests at  
the home of their brother George  
Cockrell an inspector in the  
steel mills there. Mr. Cockrell  
was at one time a resident of  
Morgan county and is well known  
here.

## ATTENDING CONVENTION

Sisters Digna and Mary Ellen of  
Our Saviour's hospital are attend-  
ing the College of Surgery con-  
vention which is being held at  
the Hotel Sherman in Chicago,  
and which closes its session Wed-  
nesday evening. Drs. Norbury,  
Weirich, and Duncan are also in  
attendance from Jacksonville.

Miss Martha Stultz, of I. W. C.  
spent the week end with her par-  
ents in Palmyra.

## PUBLIC SALE

A public sale of personal  
property will be held Tues-  
day, Oct. 30, 1 p. m. at the  
Charles German home, in  
Lynnville. Some farm equip-  
ment and numerous articles  
of household furniture will  
be sold. Charles M. Strawn,  
auctioneer.  
L. M. Shirlcliffe.  
Foster A. C. Shepherd.

## NON-RESIDENCE NOTICE

State of Illinois, ss  
County of Morgan.

In the Circuit Court thereof,  
November Term, A. D. 1923.  
George O. Sooy, Complainant,  
vs. Charles G. Sooy, et al., De-  
fendants.—Partition.

Affidavit of the non-residence  
of Charles G. Sooy, John D. Sooy,  
Nettie B. Stevenson, Aileen  
Mutch, Helen Mutch and Cecile  
M. Mutch having been filed in the  
office of the Clerk of the Circuit  
Court of the County of Morgan in  
the State of Illinois, notice is  
hereby given to the said Charles  
G. Sooy, the said John D. Sooy,  
the said Nettie B. Stevenson, the  
said Aileen Mutch, the said Helen  
Mutch and the said Cecile M.  
Mutch that the complainant, George  
O. Sooy, has filed his bill of com-  
plaint in the office of the Clerk  
of the Circuit Court of the County  
of Morgan, in the State of Illinois,  
against them as defendants in said  
cause; that a summons has been  
issued out of said court against  
them on the second Monday of  
November, A. D. 1923, commanding  
them and each of them, to appear  
in said court at that time at the  
Court House, in the City of Jack-  
sonville, in the County of Morgan,  
in the State of Illinois; and that said  
cause is still pending and undeter-  
mined in said court.

Witness, F. E. Wanamaker,  
Clerk of said court and the seal  
of said court this 9th day of  
October, A. D. 1923.  
F. E. Wanamaker  
(seal) Clerk of said court.  
Carl E. Robinson,  
Solicitor for Complainant.

## Market Report

MARKET EFFECTED BY  
GERMAN CONDITIONS

**FINANCIAL**  
Total stock sales 548,000  
shares.  
Twenty Industrials averaged  
\$7.48; net loss 34.  
High 1923, 105.38, low \$6.92  
Twenty railroads averaged  
\$1.05; net loss .57.  
High 1923, 90.51; low 79.53  
Total bond sales (par value)  
\$7,832,000.

New YORK, Oct. 22.—Stock  
prices opened firm in today's mar-  
ket, despite the unfavorable week-  
end political developments in Ger-  
many but the general list turned  
heavy in the third hour on selling  
believed to have been inspired by  
the increasing weakness of the  
foreign exchanges, demand sterling  
and German marks touching  
new lows for the year.

Speculative interest, except in a  
few special issues, was at a  
ebb, the day's volume of business  
totalling only about half a million  
shares.

When the market opened Wall  
street appeared to be of the opin-  
ion that stock prices already had  
discounted the worst that could  
happen in Germany and that the  
country's uprisings would have lit-  
tle effect on the domestic econo-  
mic situation.

Short covering operations were  
resumed in the leaders with the  
result that gains of a point or so  
were recorded by Baldwin and  
American Locomotive, American  
Can and DuPont.

**Sterling Drops.**  
The continued heaviness of  
sterling, which dropped below  
\$4.50 and was attributed to the  
withdrawal of American bank bal-  
ances in London thru fear of in-  
flationary measures in Great Brit-  
ain eventually creating pessimistic  
sentiment among professional  
traders which found its reflection  
in a large volume of selling or-  
ders.

German marks sold as low as 2  
cents a billion. The market how-  
ever, was not without its bright  
spots. Woolworth jumped six  
points to 27 1/2 a new 1923 top, and  
Kresge climbed 10 points to  
24 1/2.

Brokers were reported to be  
lending large sums on call, the  
call money rate opening at 1/2  
and easing to four before the close.  
The time money market was dull  
with brokers bidding five and  
bankers asking 5 1/2, some 90 day  
loans being arranged at the high-  
er figure. Only a limited amount  
of commercial paper is coming in-  
to the market the bulk of the  
prime names moving at 5 1/2 per  
cent.

Active U. S. Government bonds  
recorded moderate improvement.

## BIRTHDAY SURPRISE FOR BLUFFS RESIDENT

Royal Butterbusch Pleasantly Surprised Sunday by Friends—Other News From Bluffs.

Bluffs, Oct. 23.—Neighbors and friends to the number of fifty gathered at the home of Royal Butterbusch Sunday to assist him in celebrating his birthday. He with his estimable wife and children went as usual to Sunday school and upon returning home was amazed to find that his neighbors and friends had entered the house with well filled baskets and prepared a bountiful feast. To say he was surprised expresses it mildly, but he was equal to the occasion and extended each a royal welcome.

The afternoon was spent in a social way and all enjoyed the time immensely and wished Mr. Butterbusch many more just as happy birthdays. The affair was planned and successfully carried out by the wife assisted by her friends. Mr. Butterbusch received many remembrances in commemoration of his birthday. Mrs. Sylvester Allen of Chicago who has been the guest of relatives and friends in this vicinity for the past month returned to Springfield Sunday to visit her daughter, Mrs. Edward Sarsfield enroute to her home in Chicago.

Miss Fanny Chapman of the vicinity of Niles visited with

friends in town Saturday. Mary Helen Vanders spent Thursday until Sunday with relatives in Springfield. Miss Elsie Little, Bluffs, and Paul Smith of Naples surprised their friends by going over to Winchester Friday evening where they were united in marriage by the Rev. Mr. Murray, pastor of the Baptist church of that city. The ceremony was said at 7:30 o'clock after which the happy pair left for his home town Naples, where a nicely furnished home awaited the bride's coming. Both are popular young people in the communities where they reside. Their many friends wish them much happiness and many years of prosperity.

Mr. and Mrs. G. A. Rockwood and children, H. G. Rockwood and sister, Miss Helen spent Sunday with their parents, Mr. and Mrs. B. F. Rockwood.

Herman Dunham and family spent Sunday in Orleans.

### TWO SUNDAY SCHOOL CONVENTIONS IN COUNTY

The Alexander and Concord precinct Sunday school conventions were held Sunday afternoon. The Concord convention was held in the M. E. church at Concord at 2:30 o'clock, with Bert Way presiding as precinct chairman. The musical program was furnished by choruses from the various churches represented at the convention. Addresses were made by Carl E. Robinson and C. S. Smith of this city and Fred Scholfield of Lynnville.

At the business session Mr. Way was re-elected precinct chairman and the other officers were chosen to succeed themselves. The Alexander precinct convention was held at Union church at Pisgah at 2:30 o'clock. This was the annual meeting and Mrs. A. A. Curry of Pisgah was named precinct chairman and Mrs. Noel Wiley of Alexander the secretary. Speakers at this convention were Miss Virginia Smith, G. W. Gard and C. L. Depew, secretary of the county association. Mrs. A. A. Curry made brief remarks in favor of continuing the anti-tuberculosis work in the county.

### FIND ROADS OPEN

Several Jacksonville residents who were doubtful of the opening of the hard roads through to the state line made sufficient of the trip Sunday to verify the statement and found hard roads all the way with the exception of the one mile of cinders near Riverton as previously stated. One tourist stated that motorists passing through Springfield would do well to eliminate Washington street in Springfield from their route on account of repair work being done on that street, taking Jefferson street in preference, in going farther east.

### RETURNS TO ROODHOUSE

Carl Anderson of Roodhouse has returned to his home after a week's visit at the home of his sister, Mrs. C. Waggener, 207 West College street.

Miss Helen Sours, of the office force of Illinois Woman's college, spent the week end with her parents in Pearl, Ill.

### FOR SALE

Fall and winter apples—Jonathan, Grimes Golden, Delicious, Winter Banana, York Imperial, Senator and Gano. Pears for canning. Fresh made sweet cider. Early Ohio potatoes for storing. Also a full line of fresh fruit and vegetables. We sell to everybody. W. S. CANNON PROD. CO. Wholesale and Retail

## ACTIVE AID URGED FOR WAR VETERANS

CINCINNATI—(By the A. P.)—America's wounded and disabled veterans of the world war can be converted "from a liability to the United States government in the matter of dollars and cents," into a group of assets, if rapid and effective means of assisting these disabled veterans in their problems of education, rehabilitation, vocations and welfare are adopted by the government, according to James G. McFarland, national head of the Disabled American Veterans of the World War.

Mr. McFarland is assisting in preparations for "National Forget-Me-Not Day," to be observed throughout the United States, on Saturday, November 10th. He asserts that the government should display a more intimate and fatherly interest in the future of several thousand of America's wounded veterans.

### FOR SALE

My residence at 716 S. Main street. Strictly modern, six rooms; garage. Priced right if taken soon. Household goods, 2½ horse power gasoline engine, Victrola, Radio set. LLOYD VASCONCELLOS

Clarence Spencer of Murrayville was in Jacksonville yesterday.

## NEWS OF INTEREST FROM ASHLAND

Pleasant Social Affair at Home of Mrs. Lloyd Stribbling—Other Items of Interest From Ashland.

Ashland, Ill., Oct. 23.—One of the delightful events of the season was that given last week at the spacious country home of Mr. and Mrs. Lloyd Stribbling when they entertained forty of their friends. The evening was gaily spent in dancing and playing 500, after which a delicious three course menu was served.

Mrs. Raymond Mau and Mrs. Tom Savage had a limited number invited in Thursday to the home of Mrs. Mau on Editor street. The affair was a serving and late in the afternoon refreshments were served.

The Martha Sunday school class of the Methodist church met last Friday at the home of Mrs. D. O. Wilson. A social time and guessing contests were the afternoon's amusements. Refreshments were served by the hostess.

## Firm, Plump Flesh!

MANY are the eyes that are turned to gaze with keen admiration on the well developed healthy girl no matter where she may be—on the rapidly moving thoroughfare or gliding gracefully over the dance floor. All eyes turn because we all appreciate the girl with the figure so firm and plump—the girl with radiantly red cheeks, cheeks that carry a touch of roses from nature's own garden—the girl with the sparkling eyes, keen and sharp—the girl with buoyancy and the swing of youth.

Not necessarily an out-of-doors girl. Just a girl with ever increasing blood cells. Just a girl filled with the vim and vigor of youth.

S. S. S., since 1826, has stood for increased blood cells. S. S. S. means restored strength—rekindled vitality—added energy. Take S. S. S. and watch the bloom of youth return to your cheeks. Watch that sallow, ill nourished flesh fade away before flesh that is firm and plump. Red blood cells will do it and S. S. S. will build them. It contains only pure vegetable ingredients. S. S. S. is sold at all good drug stores. The large size bottle is more economical.

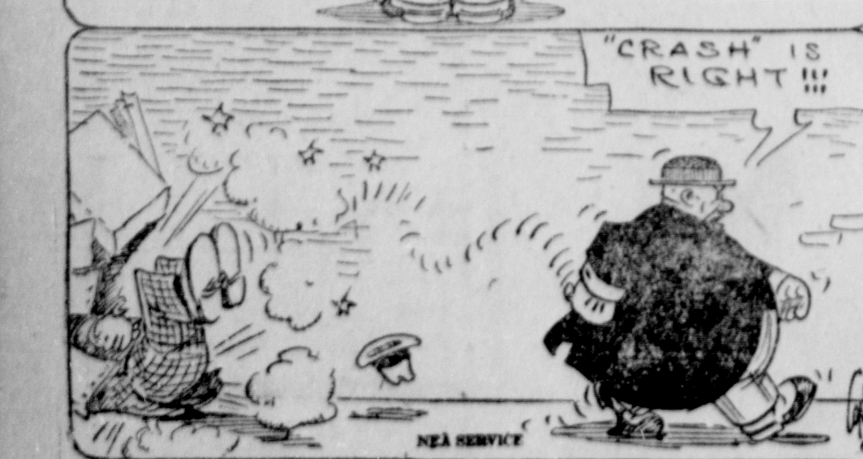

SSS Makes You Feel Like Yourself Again

# ONE CENT SALE!

Thursday, Friday, Saturday, October 25, 26 & 27

What Is a One Cent Sale? It is a sale where you buy an item at the regular price—then another item of the same kind for 1 cent. As an illustration: The standard price of Arbutus Complexion Cream is 50c. You buy a jar at this price and by paying 1c more, or 51c, you get two jars. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices and have sold you for years.

A New Way of Advertising Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full-size package of high standard merchandise for 1c. It costs money to get customers. The loss taken on this sale will be well spent if the goods please you.
